Key Feast Days of Mary

1st January – SOLEMNITY OF MARY, MOTHER OF GOD
On the first day of each year we celebrate the important role Mary played as the mother of Jesus.

25th March - ANNUNCIATION
On this day, the archangel Gabriel appeared to Mary and “announced” that she would conceive a son and he would be called Jesus. After initially being afraid, Mary accepted by saying: “I am the Lord’s servant. Let it be as you have said.”

15th August – ASSUMPTION
The day when Mary was taken up into heaven. We do not know when or how Our Lady died, but we believe she was taken up “body and soul into heavenly glory”.

8th December – IMMACULATE CONCEPTION
We believe that Mary was conceived without original sin and that she was specially chosen by God to be the mother of Jesus. We believe that God chose Mary to be free of that general sin into which we are all born.

MARY - OUR LADY

We have very few facts describing the life of Mary, the mother of Jesus, although there are many stories and traditions associated with her. We know that she was young (around 14 years old) but old enough to be married, and that she had been promised to Joseph in marriage. But the marriage had not taken place before the angel Gabriel told her that Jesus would be her son.

Did you know??

Mary was a scholar and a poet. Her Magnificat is one of the most beautiful poems in all literature.

In every Catholic Church, you will find an image of Mary.

The “Hail Mary” begins with the words that the angel Gabriel said to Mary at the annunciation.

KINGSTON ROTARY CLUB FUN RUN

THE 11th annual Kingston Rotary Club fun run is a run that allows families to enjoy walk/run a trail through Kingston, from the Kingborough sports centre to Kingston Beach.

The Rotary Club of Kingston is holding the Kingston Beach Fun Run and Walk on Sunday 26th May 2013. The Rotary Club of Kingston is urging locals to lace up their running shoes and bring the kids. The 5 kilometre run or walk event will commence at 9:00 am from the Kingborough Sports Centre and finish on Kingston Beach.

The Club is especially keen to promote the Fun Run as a "kid friendly" event and get entries from many schools in the district. The school with the highest participation will win $500 towards the purchase of school equipment.

Mr Moore is also urging people to enter teams made up of church groups, business groups, sporting groups or families and friends. "The idea is to just get involved and enjoy the morning, the finish is at our lovely Kingston Beach," Mr Moore said.

The 5km run and walk will begin at 9am on Sunday starting at the Kingborough Sports Centre(Scout Hall) and finish on Kingston Beach. Pre race-day registrations ($20 for adults, $10 for children, and $40 a family) can be completed online at www.rotaryclubofkingston.org or at the Kingborough Sports Centre, from 7:30am onwards.

There will be plenty of prizes on offer, so get ready for some fun and fitness on May 26th and take part in this great annual Kingborough event. The Rotary Club has partnered with the Kingborough Council to install $30,000 worth of outdoor fitness equipment for the Kingston Beach area with the club contributing 50 per cent of the costs from its charity kitty - raised during fun runs over the past 10 years.

Any enquiries about the event can be made to David Moore on 0437 849 470 or email to funrun@rotaryclubofkingston.org

The Rotary Club thanks Gatorade and Hartz Mineral Water for their support.
