**WISE WORDS FOR THE WEEK**

The great lesson is that the sacred is in the ordinary, that it is to be found in one's daily life, in one's neighbors, friends and family, in one's backyard. Abraham Maslow

Abraham Harold Maslow (April 1, 1908 – June 8, 1970) was an American psychologist who was best known for creating Maslow's hierarchy of needs, a theory of psychological health predicated on fulfilling innate human needs in priority, culminating in self-actualisation. Born and raised in Brooklyn, New York, Maslow was the oldest of seven children and was classed as "mentally unstable" by a psychologist. His parents were first generation Jewish immigrants from Russia who fled from Czarist persecution in the early 20th century. Maslow's parents had decided to live in New York City and in a multiethinic, working-class neighbourhood. His parents were poor and not intellectually oriented, but they valued education. It was a tough time for Maslow, as he experienced anti-semitism from his teachers and from other children around the neighborhood. He had various encounters with anti-semitic gangs who would chase and throw rocks at him. Maslow and other optimistic youngsters at the time with his background were in the struggle to overcome such acts of racism and ethnic prejudice.

The sacred is everywhere, even in the things we experience that are difficult to understand and see the sacred in. May we always be people who challenge what is wrong, work for good in the world and open the sacred to all we meet.

- A message that Joe Sandric received from our Office Guru, Mylinda this week, highlights the practical and pastoral nature of the one College, two Campus motto.

  Mylinda’s message read:
  
  Please pass on my thanks and appreciation to Emma Barrell (Year 10), for being responsible and taking care of two Kingston Campus students. This morning, four students including Emma, were left at the Calvin School bus stop. Emma telephoned me to advise the Kingston Campus students were safe with her and still at the bus stop. I was then able to telephone the bus company, who had forgotten to send another bus to pick up Emma, Riley Pitchford, Oliva and Ella Perry.

- Thanks to Marcelle Ottaway, James Hickey and Nick Bakker for running with the large contingent of Secondary Students in the City to Casino Fun Run. Well done to our secondary students for participating.

- Leanne Prichard and the six Grade 10 Student Leaders ran a very successful Leadership Day for our SRC students. The new structures and energy of this group of students will ensure all goes well for a wonderful year. We look forward to working with them in their initiatives.

- Brendon Gourlay took James, Josh and Malachy from Year 10 to UTAS for two days of Engineering challenges. Thanks to Linda Bonnitcha for arranging these days. Here is an email we received about the value of the experience:

  Just thought I’d send you a quick email to say thanks for organising the work experience program for the grade 10’s and Engineering Futures. Malachy has really enjoyed both these activities and it has given him a real taste of the study and working life of an Engineer. I have no doubt this will help him in his career path decisions. Kind regards, Jon (Malachy Wells’s dad)
• Well done to the Grade 9 SRC and Linda Bonnitcha for organising the Black and White Disco. Thank you to staff for assisting in the supervision of the event.

• Thanks to Don Robertson for organising our involvement in the Interschool Chess Championships at The Friends School. The students who represented the College were Hannah Donovan, Davis Kim, Gianni Puli, Bradley Vince, Anahi Flanagan, James Kim, Isabella Wells, Jet Jankiewicz and Jacob Stone.

"God, our Father, give me the power through Your Spirit for my inner self to grow strong, so that Christ may live in my heart through faith, in my dreams through hope and in my actions through love. Amen."

"A wise person draws from the well within" Proverbs 20.5

The well within is also known as the inner-self or spirituality. It has been described as a sense of connection to something greater than self and that listening to the inner self is like drawing water from a well that reaches down into an underground sea; it is part of self, yet it is greater than self.

BLACK AND WHITE DISCO
On Friday the 24 of May, Huntingfield Campus held the annual Black and White Disco.

At the grade 3-6 disco we had around 130-140 students attended and they were amazing! They all participated and many got all different prizes and some even learnt a new dance!

The grades 7-10 disco we had a lot of students again, with around 100 students attending! Everyone was on the dance floor and showing off their moves. It was fun for all, even the teachers (Mr Sandric).

Also a big thank you to the Grade 8, 9, and 10 VET students who helped with the canteen and set up. A big thanks to the Grade 9 SRC Committee for organising this disco, Alex Ruut, Rachael Mathers, Dan Prichard, Tessa Brinsmead, Lauren Hay, Tom Cornish, Oliver Ditcham and Leyton Stewart.

The biggest thank you to Mrs Bonnitcha who helped arrange everything for us. We hope you all had fun at the disco and will come next time!

LEADERSHIP TRAINING DAY

Last Thursday the Grade 10 Leadership team, along with the help of Mrs Prichard and Mr Sandric, ran a Leadership Day for all Student Leaders from Grade 5 to Grade 10. We did a number of activities teaching them to become good leaders as well as an active member of our community. We played a number of games in order for students to get to know each other and become more comfortable as a group. The most crucial part of the day was the brainstorming by each of the respective groups. Each group wrote down a number of things they are hoping to achieve by the end of the year. As a team we are working together to reach these goals. At the end of the day each group painted a banner which we will be displaying at various activities throughout the year.

We had a great day and we are looking forward to making a real impact at our College this year.

Dylan Geeves and Denbeigh Bogert – 10EI
ASSEMBLY TIME
The assembly timetable for the rest of this term:
Week 5: Monday 3rd June - Hosted by 3F
Week 7: Tuesday 18th June - Hosted by 2H
Week 9: Monday 1st July - Hosted by 2S
Week 9: Thursday 4th July - Musical Extravaganza Part One
All parents, family members and friends are very welcome to attend our St Aloysius Kingston Campus assemblies.

CLUSTER DAYS
Over the past week and a half, teachers from K-6 have been attending Cluster meetings. These meetings involve all Catholic Primary school teachers that teach a particular Grade, getting together to plan, assess and collaborate with one another.

RESILIENCE SESSION
Mrs Denise Long from the Catholic Education Office presented a ‘Building Resilience in our Children’ session for approximately 80 parents in the Sisters of Charity Centre from 6.30pm to 7.30pm on Monday, 27 May.

Denise explored why resilience was important and gave strategies that parents can use to grow character and resilience in students from K-10. Refreshments and lucky door prizes were provided by our wonderful Parents and Friends Association. Our P&F, like always, did an amazing job.

I would be interested in feedback from parents about the session, in particular about our future directions. Thank you to those parents who have already provided feedback.

CENTACARE FAMILY LIFE SESSIONS
In June, Centacare are running evening sessions as part of their Family Life Program. The sessions focus on developmentally appropriate lessons about families and the human body. Many parents find the session extremely worthwhile in discussing certain issues with their children. The dates for 2013 are:

Grade 3/4 - 18th June - Sisters of Charity Centre, Kingston Campus: 6.30pm
Grade 1/2 - 19th June - Sisters of Charity Centre, Kingston Campus: 6.30pm
Grade 5/6 - 20th June - Learning Centre Two, Huntingfield Campus: 6.30pm

The sessions cost $10 for a family to attend. Should you wish to obtain further information about what is being offered at these sessions a flyer is available from either Campus Office.

Woolworths Earn & Learn
We are collecting Woolworth’s Earn and Learn vouchers at the Kingston Campus. If you shop at Woolworths and would like to contribute, there is a box in the Kingston Campus office or vouchers may be handed to your child’s class teacher.

DAY AT DUNALLEY
Preparations are well underway for our Day at Dunallely Primary School next Tuesday, 4th June. Students who are attending should have received a letter about it yesterday. These students are invited to bring a plate of morning tea to share. Next Monday our Vinnies and Mini-Vinnies will be having a bake off at lunchtime to bake more treats for the children at Dunallely.

SACRAMENTAL PROGRAM 2013
A reminder to all candidates and their families that they are invited to masses this weekend to receive a copy of the Apostle’s Creed. Could those candidates who have not yet brought in their finished profiles, please bring them in to school as soon as possible so we can put them up in the Church foyer.
RESTORATIVE PRACTICE LEADERS
Our “Busy Bees” Restorative Practice Leaders did a great job visiting Prep and Kinder classes last week to explain their role. They have now begun working in the Kinder and Prep playground every lunchtime. Their main role is to make sure the children are happy and playing well together.

HUNTINGFIELD GUEST SPEAKER
Next Friday afternoon, 7th June, our Grade 9 and 10 students will have the privilege of listening to a well-known young Tasmanian - Sam Clear. Sam walked 15,600km across the world from Brazil, through South America, Central America and North America, across Siberia, on the trans-Siberian railway, and then on foot again from Moscow to the western most point of Spain for Christian Unity! On his mission Sam encountered extremes of weather conditions, relied on the hospitality of complete strangers, was mugged and threatened and came face-to-face with dangerous animals. Yet what Sam encountered was God’s love in action in the most incredible of conditions. Sam now travels the country and beyond sharing his story and we are very fortunate to have him visiting our College.

If any parents would like to hear about Sam’s amazing journey, he will be speaking at this month’s Pints of Faith, run by Catholic Youth Ministry, at Hotel Soho on Thursday, 6th June from 7.00pm. Please email me or leanne.prichard@catholic.tas.edu.au if you would like to attend.

YOUTH FESTIVAL LAUNCH
If you are between 15 - 25 years of age, it's time to get excited as we make history with the first ever Australian Catholic Youth Festival THIS DECEMBER in Melbourne. Thousands of Young Australians will gather for three days of encounter, sharing faith, engaging speakers, powerful prayer and celebrating the vitality of our Australian Church. If you are interested you need to be at the launch and information session on Friday, 7th June between 6.00pm-8.30pm at Corpus Christi Church, Bellerive. Launch includes all your information, special guest Sam Clear, fun, prayer and your chance to WIN FREE REGISTRATION. Please register ASAP for this launch event by contacting Rachelle Smith at rachelle.smith@aohtas.org.au or 0400 045 368.
(If you are over 25 and interested in leading a group please make sure you also come along to the launch)

PARISH FOYER DISPLAY
Thanks to Prep Wh for their lovely illustrated Easter stories that are now on display in the Church foyer. Thanks also to the students from 4W who have done some lovely pictures of Jesus

LOUI’S VAN BISCUIT DRIVE
Thank you to families from the classes who have brought in goodies over the last couple of weeks. This week families from Grade 1FC are invited to contribute.

HUNTINGFIELD MASSES
Thank you to the students in Grade 5MD for leading our final “Beatitudes” Mass last week. As Father Chris is away, there will be no mass at Huntingfield this week.

Weekend Parish Masses: Saturdays 6.00pm - Kingston
Sundays 8.30am - Snug
10.00am - Kingston (Children’s Liturgy is offered at this Mass)

Weekday Parish Masses: Mondays 9.00am - Kingston
Wednesdays 9.00am - Kingston
Fridays 5.30pm - St Aloysius Church
SPORTS REPORTS – ROSTER 1, KINGBOROUGH SPORTS CENTRE
Here is an update from some of our sports teams on their experiences last roster. Registrations for the next roster have been received and letters of confirmation will go home shortly. The new roster commences next week.

I would like to take this opportunity to thank the parent coaches and supervisors for their efforts in making sure they are able to attend games and training, supporting the teams, to be the best they can be. Also, thank you to the teachers who assist with organising teams. This can be a tricky task as we do not always get the exact numbers required or player situations can change, it can be a juggling act.

A most special thank you to Rachael Adams and Sharlene Duggan, at the Huntingfield Campus Office, who distribute all the correspondence to families - a big job!

7/8 Boys Basketball Blue
The 7/8 Boys Blue team had a very good season and went through the regular roster undefeated. All boys played very well throughout the season and all made a large contribution to the team. After losing 2 players to injury (Kieran and Jacob) we were down to just 5 players for the last 4 games of the season including the grand final. All remaining players really stepped it up to keep us on top of the ladder. Unfortunately we could not sustain the momentum and lost the grand final to a very talented Calvin team.

I was immensely proud of the team as they never gave up and really pushed the whole season. Congratulations to Willis Short, Cameron Atkins, Lachlan Dimsey, Will Polland and Maxwell O’Brien. (Wishing a speedy recovery to Kieran Wright and Jacob Banks). Really looking forward to coaching these boys again next term. An exceptional group of boys who always tried their hardest.

Mr Stephen Dimsey

7/8 Boys Basketball Green.

The Boys in St Al’s Green 7/8 Basketball team showed much improvement throughout the (prolonged and very disrupted) 1st term roster and finished a most creditable 3rd for the season. Following an extensive recruiting program, the team was thrown together after the 1st week of roster had already begun. Considering this, third place was a very good result and an excellent return for their hard work on court. It was most pleasing to see the week-to-week improvement in teamwork, skills and strategy especially as only 2 or 3 boys had played in a competition before. The Boys should be very proud of themselves for the efforts and commitment they contributed to the team as a whole. With more hard work, training at school and a willingness to learn more defensive strategies I think we will have an even more enjoyable and successful winter roster.

Well done, boys! I look forward to helping out again. Thanks to all the parents who helped out on the scoring bench and for your commitment getting the boys to game on time. For those Parents who haven’t learnt the ‘art of scoring’, I am happy to coach you as well.

Thanks also to Andrea Reece, Brendon Gourlay & Peter Freeman for helping get the ‘Green Machine’ up and running.

Mr Jake (Garry Jacobson)
7/8 Futsal
The season started off slowly as the boys got to know each others game and how they played. After a few early losses we started to string a few good wins together. These wins put them into the Division B Grand Final. The Grand Final was a very exciting game against the Karate Hedgehogs. After going up 2-Nil in the first half, the Hedgehogs fought back to be 3-2 with just a minute remaining. The St Aloysius boys scored an equaliser with just 1 minute remaining on the clock. After full time, with scores level, we went into golden goal overtime. It took the St Aloysius boys just 15 seconds to score and take out the final.

Congratulations to all Lachlan Dimsey, Riley Pitchford, Davis Kim, Nathan Wilcox and Luke Noble on a fantastic effort and huge improvement through the season.

Mr Stephen Dimsey

St Aloysius Sharks - 5/6 Boys basketball
The sharks played every game with a fantastic attitude and willingness to learn more. There were a few players who were playing for the first time and to watch them improve so much so quickly was wonderful. The boys represented their school fantastically throughout the season, always showing the up-most sportsmanship while remaining competitive and focused on playing to the best if their ability.

Well done to Max Payne, Ryan House, Mitchell Cooke, Daniel Scott, Billy Freeman, Jordan O'Brien and Thomas Milic. Also thank you to the parents and siblings who helped with scoring and taking them through a warm up.

Mrs Jacqui Cooke

PLEASE NOTE:  Netball rosters finish in the next 4/5 weeks. Registration for the summer roster (commencing in September) will be sent out in August.

BLACK AND WHITE DAY ...... AND DISCO!
May 24th 2013

Wow.......what a fantastic effort from our college. The Black and White Day and Disco has again been a wonderful success. With $1150.00 raised to donate towards the Save The Tasmanian Devil Appeal supporting research and breeding programs for the devils.

The Year 7-10 SRC committee and the Year 8 Hospitality and Year 9/10 VET Hospitality students worked very hard to support this great cause. Working on the door, decorating the room, having dance competitions, working in the Cafe selling food and drink were just a few of the roles they took on. Congratulations to all these students, your efforts made this event run very smoothly. We must also thank those wonderful teachers who stayed on to help with both the Year 3-6 disco and Year 7-10 disco. It was very much appreciated.

This has become an annual event and we are very proud to have it become so successful. The colouring competition will be judged by

Nature Nic and he will be announcing the winners on Monday afternoon.
The Year 3/4 students had a wonderful time at the Huntingfield Campus showing their real dancing and singing talents!
Year 10
Work Experience Program 2013

By Mrs Linda Bonnitcha, Careers Counsellor

A week ago, the Year 10 students were all out for 3 days on their work experience program. The students chose various work places to develop their employability skills. From hairdressing salons, cafes, Government House, warehouses, travel agencies, childcare, schools, sports centres, engineering agencies, medical centres, riding schools, beauty salons, construction, retail, and pet stores were some of the areas these students were able to learn in. Congratulations to all students who performed amazing tasks, all had fantastic reports and learnt many new skills.
PARENTS AND FRIENDS ASSOCIATION (P&F)

Building Resilience in our Children

Thank you Alison Brereton, Bec Sward, Dearne O’Halloran, Erica Ramage, Leah Willis, Lesa Ratcliffe, Melissa Dance, Michelle Bromley, Priscilla Doyle and Toni McGinnis for providing the lovely supper that was enjoyed by many after the presentation held on Monday, 27th May 2013. Congratulations to the lucky door winners Bec Sward, Danielle Milic and Dearne O’Halloran who each won a book ‘The Resilience Doughnut - The Secret of Strong Kids’ by Lyn Worsley valued at $29.95. It was an informative night and enjoyed by over 80 parents and staff.

Fair Raffle, Chocolate Wheel & ‘Sponsor a Stall’

Hopefully all parents have received the letter and attachment requesting support for the College Fair Raffle, Chocolate Wheel & the opportunity to ‘Sponsor a Stall’. If anyone is interested in supporting the College in this way please return your completed form to either Campus Office by Friday, 31st May 2013 or you can email the Fair Co-ordinator, Sandra Brady at bradys@clearmail.com.au or Angela Cassidy at atscassidy@bigpond.com with your details and/or queries. We thank you for your support.

Entertainment Books

A reminder to forward any payments or return any unwanted Entertainment Books to the College as soon as possible. Payments can be made online using the details on the credit card slip provided in your Entertainment Book envelope via www.entertainmentbook.com.au/orderbooks/24043g6. Please contact Melissa Dance at melissa.dance@catholic.tas.edu.au with any queries regarding Entertainment Books.

Unwanted Board Games & Puzzles

A letter was sent home last week requesting families to donate any unwanted board games, puzzles, memory games and word games to both campuses. The collection period starts next week, Monday, 3rd June until Friday, 7th June 2013. Students can bring games and puzzles to their classrooms and the SRC students will arrange collection and/or games can be left at either Campus Office. Please direct any queries to the P & F Secretary, Joanne Brooks at sandysamdog@yahoo.com.au regarding these collections. Any games and puzzles that are not used at the College will be given to the Toy Stall for the College Fair which is to be held on Sunday, 3rd November 2013. We thank you for your support and look forward to receiving many games and puzzles.

Social Media

The P&F are pleased to advised the SACC P&F Facebook page is now up and running. The page has been authorised and approved by the College but is only to be used as a form of general communications. The page has been created to assist parents, students, teaching staff and friends of the College Community. For further details, check out ‘St Aloysius Catholic College Parents & Friends’ on Facebook.

P & F Meeting

The next P & F meeting is Wednesday, 5th June 2013 commencing at 7.00pm. The meeting will be held in the Parish Meeting Room located under the Church. Everyone is welcome to attend the meeting and we would love to see you there. For any further information regarding the P & F please feel free to contact Angela Cassidy atscassidy@bigpond.com or 0438 393 638. Thank you.
