Prayer of Remembrance for Mrs Terry Smee:

We remember Terry with fondness today and we give thanks for the great gift of her life as we pray in the words of St. Ignatius of Loyola:

Lord, welcome into your calm and peaceful kingdom those
who have departed out of this present life to be with you.
Grant them rest and a place with the spirits of the just;
and give them the life that knows no age,
the reward that passes not away,
through Christ our Lord.
AMEN

• The Year 10 Staff that went to the GYC Course Counselling course after school on Monday. Knowing more about the expectations of what Year 11 and 12 courses have in store for our students assists us in critically reflecting on our contents and delivery.
• The Day at Dunalley was a wonderful culminating event for our College. From an idea that Oliver Ditcham had at the start of the year, through Do-a-thons and Hawaii-50 Days to finally seeing the money raised go to Dunalley Primary in the form of new garden beds and their own version of our “Do-a-thon”, our College has reached out and “done good”.
Well done to all of us: Staff with their energy for events we ran, students for their participation and families for assisting in the fundraising. Well done to the following students who represented us at Dunalley:

**GRADE 5s:** Will Ditcham, Aidan Donovan, Henry Rutherford, Dane Ayliffe, Lauren Mckenzie, Karla Peake

**CSYMA/Community Service Class:** Jess Poland, Ellie Lada, Grace McDonald, Emily Vince, Chloe House, Oliver Ditcham, Leyton Stewart

**GRADE 9s:** Liam Burgess, Harry Cooper, Lauren Hay, Emma Donovan, Daniel Prichard, Rachael Mathers, Kate Newton, Harley Glenn, Jonathon Ayton, Holly Gregg

**Gr 4 leaders:** Jacob Glover, Seth Tiddy, Amber Vince, Bella McShane, Maddison Cordwell, Alysandra Simmons

Leanne,

Thanks for an outstanding day today.

It was a wonderful day on so many levels. Oliver is a wonderful young man and so were the other students who assisted you in running the day. Please pass on my huge thanks to all of them. Please also pass on our thanks to your staff, both those present and those who supported us by covering things back at school.

Please also pass on my thanks to Joe and Brendan for allowing the event to evolve into the experience that it did.

I’ll be in touch.
Cheers
Matthew Kenny
**PRINCIPAL**
Dunalley Primary

- Mrs Ayliffe and Mr Hickey took about thirty of our Year 9 students to Try-a-Trade on Wednesday. Thanks to them for that as well as a big thanks to Mrs Bonnitcha for organising our participation and having her VET students run one of the stalls on the day. Those students were: Jess Price, Dylan Geeves, Abi Macintosh, Bethany Bricic
- The ICAS Science test was run on Wednesday and well done to those students who pitted their scientific brains against each other! Thanks to Mrs Noble for organising our participation.
- Thanks you to Mrs Bonnitcha and Mr Eade for taking our Year 9 and 10 VET students to Melbourne this weekend. Their itinerary was jammed packed with informative events to learn from – and a bit of fun stuff as well!

From the Religious Education Co-ordinator … … … Mr Gerard Cronly

“God, our Father,
We know that hope is the pilgrim’s virtue.
May we use Your gifts of the Spirit that are within us to be bearers of Christian hope to those with whom we journey through life.
Amen.”

To maintain hope in their own future, children look to their parents for:
Physical contact love - Hugs of affirmation that give a feeling of security.

Genuine praise - Assurances of personal progress

Reasonable expectations - Achievable goals that allow for success and considerable self esteem.

Constructive criticism - Confidence builders that lead to feelings of optimism.

Truthfulness and honesty - Models to inspire.

To give hope to our children is to give to them a most fundamental gift. It allows all the events of their life to be filled with purpose because these events, whether easy or difficult, mature them and prepare them for future life. Christ, through His Resurrection, provides hope for us all and allows us to share what we have now, because we have much to look forward to.

**REPORTING**
Teachers are currently hard at work on the reporting process. Information about our new reporting format went earlier in the term. An update will go home later in the week, which will also be posted on our school website.

**ASSEMBLY TIME**
The assembly timetable for the rest of this term:
Week 7: Tuesday 18th June - Hosted by 2F
Week 9: Monday 1st July - Hosted by 2S
Week 9: Thursday 4th July - Musical Extravaganza Part One
All parents, family members and friends are very welcome to attend our St Aloysius Kingston Campus assemblies.

**FEEDBACK**
During Term One, parents and staff were offered the opportunity to provide feedback to the College in the form of ‘Medals and Missions’. The Leadership Team at the College has spent a considerable amount of time working through the feedback. You can access a summary of the feedback on our new school website, under Vision and Mission. One of the areas parents asked for growth in was our rampant paper usage, so consider this a first step into the realm of a paperless College!

**THE ULTIMATE GAMES ROOM**
The Ultimate Games Room is proving popular with students. The Sports Leaders are learning valuable leadership skills as they set-up and help run all the exciting opportunities on offer. With the SRC working hard and meeting regularly, the Busy Bees helping solve problems in the playground and our Sports Leaders running activities - the student leadership is humming along!

**MORNING TEA FOR FATHER CHRIS**
On Friday, June 7 the staff at the Kingston Campus hosted a morning tea to celebrate World Priest’s Day. We acknowledged how special and important Father Chris is to our community. Special thanks to Mardi Ditcham for her hard work preparing the event. The food on offer was magnificent and decorated in a Tiger Land theme (surprisingly, there was no choking!).

**WOOLWORTHS EARN AND LEARN**
Woolworths Earn and Learn sticker collection ended last Sunday, 9 June 2013. If you have any stickers at home, the College would really appreciate you sending them into the Office. We are able to buy some great resources for the classrooms with the points collected via this promotion.
Day at Dunalley:

Last week our CSYMA/Community Service class, together with the Grade 4 SRC students, and other students from Grades 5-9 travelled to Dunalley to provide a day of fun, food and activities for the 110 students of Dunalley Primary School. The main aim was to put together the garden beds, which were the inspiration of Grade 9 student Oliver Ditcham, but, as we had the donation of a bus and driver from Wisby’s, we decided to make a day of it, providing games, a craft activity and other events for the children. We also provided an amazing morning tea, thanks to our Vinnies/Mini-Vinnies bake off, and the families of our students who were involved, and a BBQ lunch donated by Bayview Grocer. Our Grade 9 band also performed during the lunch break and the Dunalley students loved them! In a very moving moment, Harley Glenn, a former Dunalley student, sang a beautiful song in front of the students and staff of her old school.

This day was an overwhelming success, and one of the highlights of the year so far. The Grade 9 students did a fabulous job leading the various activities and the other students who attended were a credit to the College. The Ditcham family are to be congratulated for all the hard work behind the scenes, planning all the supplies and equipment for the flower beds. Thanks to Ann Menezies who designed and coordinated the painting of pavers in a theme – these will become a special feature of the new Dunalley school and a long-lasting reminder of the day.

“I really enjoyed going up to Dunalley because all the kids had smiles on their faces. It was good to see them enjoying themselves.” Karla Peake

“If you swapped their school uniform and then watched them play you wouldn’t know that they had a fire just tear their community apart. They really are just like use even though they have had this happen to them.” Liam Burgess

“I love seeing all the kids with smiles on their faces”. Oliver Ditcham
Special thanks to all the families who supported our Do-A-Thon and Hawaii Five-O days which raised $2000 which funded all the materials for the garden beds, as well as tools, gloves and watering cans for the students. We also had enough money for two gifts for the staff of Dunalley – a $300 voucher for Windmill Educational supplies, and $315 towards a staff meal.

The Principal of Dunalley was extremely happy with the day, and he commented that, while they had already received many donations from other sources, this was the first time a group had actually come to spend time with the students. Another great example of how our St. Aloysius Community actively responds to those in need in our community.

"I think the day at Dunalley was a wonderful and touching experience. It was also good to see that the kids and staff members enjoyed the day and were able to get so much out of it! I definitely would love to do more outreach activities within CSYMA."

Emily Vince.

***This day would not have been made possible without the support of the local Kingborough Community, especially our sponsors****:
* Tanktec, who donated three raised garden beds
* Clennon’s Mitre 10 in Huntingfield for support with plants, paint, pavers, garden tools, transport of supplies etc
* Leslie Vale Landscape and Gravel Supplies - for donating two cubic metres of topsoil
* Kingston Locksmith - for support with a plaque to commemorate the day
* Wisby’s buses - for donating a bus and David Dawes for giving up his time to drive the bus
* Bayview Grocer, Blackmans Bay, for donating bread, sausages etc for the BBQ

emotional at one point. I thank my gorgeous son for all that he is and all that he will be.” Mardi Ditcham
ANNIVERSARY OF MRS TERRY SMEE
Last Sunday marked the first anniversary of the sudden passing of Mrs Terry Smee, our former Religious Education Coordinator and Grade 8 homeroom teacher. A special remembrance prayer service was held in the Chapel last Friday afternoon for all Grade 9 and 10 students, and staff on both campuses paused to remember Terry in a special way this week.

DAY AT DUNALLEY
As some of you may have seen on the news last Tuesday evening, our Day at Dunalley was a huge success! There is an article about it on the Archdiocese of Hobart website at: http://hobart.catholic.org.au/media/news/student-community-assists-dunalley. This article is also printed in this week’s Kingborough Chronicle. Please see a detailed report of the day attached to this newsletter.

HUNTINGFIELD GUEST SPEAKER
Last Friday afternoon, our Grade 9 and 10 students were treated to a wonderful and inspirational presentation by Sam Clear, who walked 15,600km across the world for Christian Unity. Sam spoke about his adventures, where he walked in extremes of heat and cold, where he encountered wild animals and hostile foreigners and where he visited every church along the way, no matter its denomination, to encourage all people to pray for unity in love amongst all people. He shared his deep faith and his commitment with the students and they were thoroughly engaged, on a Friday afternoon, for the entire 90 minutes.

CSYMA CONFIRMATION SESSION FOR GRADE FOUR STUDENTS
Next Monday 17th June, our Huntingfield CSYMA class will be travelling to the Kingston Campus to run a Confirmation Session for our Grade 4 students. They have spent the last few weeks preparing games, PowerPoint presentations and brochures on the Sacrament of Confirmation and will work with the students in small groups to help them better understand the key aspects of this Sacrament. Please find attached one of the brochures, prepared by Emily Vince.

SACRAMENTAL PROGRAM 2013
A reminder that the next Parent/Child evening is on Wednesday 19th June. Could those candidates who have not yet brought in their finished profiles, please bring them in to school as soon as possible so we can put them up in the Church foyer.

LOUI’S VAN BISCUIT DRIVE
Thanks to the many parents and families who have baked for Loui’s Van over recent weeks. This week, families from Grade 1K are invited to contribute.

HUNTINGFIELD MASSES
Thank you to Miss Graham and 9EG for preparing a lovely reflective mass at Huntingfield Chapel last Thursday. Mrs Newton’s Grade 5 class have prepared this week’s Mass. Parents are welcome to join us for mass in the Chapel tomorrow at 10.25am.
AUSTRALIAN CATHOLIC YOUTH FESTIVAL LAUNCH

"On Friday night Mrs Prichard, Dan Prichard and I were lucky enough to attend the launch of the exciting new Catholic Youth Festival Australia. This event will be held in Melbourne during the early weeks of December this year. This is going to be the largest gathering of young Catholics in Australia since the 2008 World Youth Day, with over 3000 people expected to attend. On Friday night we were lucky enough to hear from a few people expressing how they feel about being a young Catholic in today's society, one of these people being Mr Sam Clear.

This is the first time this festival will be held and it will be a great opportunity for young people to share common interests, learn more about ourselves and have a great time. Many activities will be running over the three days of the festival, with guest speakers, concerts, workshops and liturgies. It's really an experience that would be too good to miss." Denbeigh Bogert.

This exciting new event is open to students in Grade 9 and up. Catholic Youth Ministry Tasmania hopes to take a number of students from Tasmania to the Festival. For more information, please check out the website:

COLLEGE - GENERAL NOTICES

SCHOOL BANKING
School Banking (Kookaburra Club) is managed by the Catholic Development Fund (CDF) and is processed at the Kingston Campus every Thursday morning. Please give your child’s bank book and money to their Teacher, who will ensure it is delivered to the friendly banking volunteers for processing. There is no minimum deposit required.

If you haven’t sent your child’s book in for some time, please do so. There will most likely be some interest to add to the current balance. Recently we added three years worth of interest to one account, increasing the balance by over $115.00.

If your child has not participated in School Banking before, and you would like them to, please leave a note with your child’s teacher and we’ll happily return to you some information and an application form.

Toni McGinniss
SCHOOL BANKING CO-ORDINATOR

UNIFORM SHOP
A reminder that the Uniform Shop will be open next Monday evening, June 17th between 6.00pm and 7.00pm.

We have a small amount of College Raincoats in stock if you would still like to purchase one, and the College Spray Jackets should be arriving this week.

Fair Meeting
The 2013 College Fair will be held on Sun 3rd Nov 2013. If you wish to be more involved with the Fair please come along to the meeting tonight Wednesday 12th June 2013 commencing at 7pm. The meeting is held in the Parish Meeting Room located under the Church. If you are unable to come along but would like to register your interest in assisting in anyway please contact Angela Cassidy atscassidy@bigpond.com or the Fair Coordinator Sandra Brady bradys@clearmail.com.au. The Fair is our biggest fundraiser for the year and provides numerous items for our children. The Fair not only benefits our College, but is a very important event for the College and Parish which really brings us together as a College Community and enhances our Community Spirit.
