“I believe in the sun
even when it is not shining.
I believe in love
even when it is not apparent
I believe in God
even when he is silent,”

Welcome to all families as we return for the 4th Term. This is the first year that we have experienced 4 terms, and, as we race towards the end of the 2013 school year, there are many exciting events about to happen. Among those events are the College/Parish Fair on 3rd November and the Thanksgiving Liturgy and Awards Presentation on 3rd December.

STAFF NEWS

Congratulations to Mrs Gabrielle Fisher and her husband, Michael, on the birth of their third child, Edward Michael, who was born on 8th October. No doubt, Edward’s sisters Meredith and Layla are excited to welcome their little brother to the family.

We welcome back: Mrs Su Heyward from long service leave and Ms Simone Reynolds from maternity leave.

Mrs Donna Duggan is currently enjoying leave with her family and will return next week. I, too, am currently on leave and will return next Tuesday, 22nd October.

During the school holidays, the following new staff were appointed to the Kingston Campus to commence in 2014:

Mrs Rachel Honner will teach Kindergarten, replacing Mrs Janelle Milne in 2014.

Mrs Melissa Nichols will teach Grade 1, while Mrs Gabrielle Fisher is on maternity leave.

Mrs Nicole Keogh will teach Grade 2, while Ms Carmel Shelverton is on maternity leave.

Mrs Julie Hoddy will be the teacher assistant in Kinder R with Mrs Andrea Reece.

Several teaching positions were advertised during the holidays for the Huntingfield Campus in 2014. Interviews of short-listed candidates will take place next week.

STUDENT-FREE DAY
Next week, on Friday 25th October, there will be a student-free day at the College. This is the day after the Royal Hobart Show Day Public Holiday on Thursday 24th October. I hope that all families will enjoy a long weekend.

CONGRATULATIONS and best wishes to Davis Kim, James Kim, Jet Jankiewicz and Bradley Vince, who will be representing the College at the Tasmanian Finals of the Secondary Schools Division of the Interschool Chess Championships in Launceston next Monday 21st October.

CONGRATULATIONS to Kai Hoddy who won Best & Fairest for Kingborough Lions under 16 this year, as well as the Golden Boot award for most goals kicked in his league this season.
**FAITH**
The apostles were about their fishing when they saw Jesus approaching them, walking over the water. Peter in his exuberance to greet Jesus thought that he could do the same; he stepped out of the boat and began to walk towards Jesus. As he made his way he began to doubt his ability to keep walking; this resulted in him beginning to sink and calling out to Jesus to save him.

This wonderful human figure of Peter sinking in Lake Galilee, his hand stretched out yet sinking at the feet of Jesus, is a parable of life. We all live in a mix of faith and doubt, certainty and fear. We all sink in chaos at some time and stand tall on the water at another time. Importantly, we do our best and that is all that is required of us.

On the other side of this parable might be Jesus reaching out to you, picking you out of chaos and fear and calming with faith. This image should fill you with courage to face the truths of life, as Jesus is there with you, in some mystical sense, in the midst of the struggle.

“The Holy Spirit accompanies us on our journey of faith. We may not always be sure of the presence, yet, God’s Spirit is with us, sometimes gently, sometimes powerfully; guiding us in the midst of life, being comforter and helper. Our Christian life is a pilgrimage: it begins, continues and ends with God “ Author Unknown.

We look forward to Term 4 being the culmination of a great year that has seen our College grow in areas of culture, teaching and learning and pastoral support.

Have a great week, Joe
WELCOME BACK
Welcome back to all families. I hope the College community is ready to experience all that our first fourth term has to offer. Major events this term include the College & Parish Fair (3rd November), Prep - Grade Two Swimming (25th November – 7th December), and our One College Thanksgiving Liturgy (3 December). This last term also includes End of Year reports (issued 13th December) as well as a lot of preparation for the 2014 school year.

PIPS TESTING
As part of our assessment program at St Aloysius Catholic College all children in Prep will be involved in individual assessments during the next two weeks. These assessments are a continuation of assessments done earlier in the year in Prep and all Tasmanian Prep students will be undertaking this assessment, which is known as PIPS (Performance Indicators in Primary Schools) at some time during the next two weeks.

These assessments offer an opportunity for the teachers to work individually with students in order to gain an understanding of their educational strengths and needs.

The dates for the individual assessments are as follows:
Prep O: Thursday 17 October and Friday 18th October
Prep WH: Friday 18 October and Monday 21 October
Prep WI: Monday 21 October and Tuesday 22 October

As it is imperative for the teachers to work with each student on a one to one basis, Mrs Belinda Frost will be teaching in Prep O, Mrs Ester Lyons will be teaching in Prep WI and Mrs Rosie Johnson will be teaching in Prep WH while the assessments take place. The classroom teachers will be around constantly as they will be taking children in and out of the classroom for the assessments.

SRC BETTA-BEE WEEK
The SRC ran a Betta-Bee week at the end of last term. Students earned special Betta-Bee cards for displaying the 4 Bs both in and out of the classroom. We had prizes thanks to a P&F grant of $200. Each day was a different B - for example Wednesday was Be a Learner day - we were keeping an eye out for all the great learners at our school. Congratulations to 4W for winning the SRC Betta-Bee week.

BANDANNA DAY
The school office will be selling Bandannas ($4) and a range of other merchandise this Friday.

About Bandanna Day -This year’s National Bandanna Day falls on Friday 18th October, and we’re aiming to raise another $1.7 million to help young people living with cancer.

National Bandanna Day is such a vital part of what we do - and we hope that you will be able to support us this year.

Our theme for National Bandanna Day 2013 is "Attitude is Everything - Buy It, Wear It". By selling, buying and wearing our bandannas, you’ll show your support for young people like 14-year-old Mary Jo as they fight cancer.

Mary Jo was diagnosed with an aggressive bone cancer known as osteosarcoma when she was just 12 - and as she explained to me, it shattered her world:
"Everything changed for me. I was in hospital a lot, I didn't see my friends, I didn't go to school. I went through chemotherapy, radiation and operations, which was difficult."

By the time she was diagnosed, the cancer had already spread to her left eye. Tragically, her doctors had no choice to remove it - which Mary Jo said was “the hardest thing” about her cancer journey:
"I felt very different to everyone else. I felt that people were staring at me - that everyone would look at me
and think I was different."
By selling bandannas - and encouraging everyone to "Buy It, Wear It" - you won't just raise funds for the programs and services young people living with cancer desperately need. You'll also show your support for young people as they go through the toughest and most distressing ordeal of their young lives.

CONGRATULATIONS TO...
Hamish Burge for training hard with the Central Region Junior Soccer Association's Under 9 Development Squad.

Isaac Burns - Mrs Williams received this email during the holidays:

There was excitement in the Google office yesterday morning as our judges, Bronwyn Bancroft, Professor Chris Turney and Lyn McGrath took the hard job of choosing our 32 State and Territory winners!

I have the wonderful job of letting you know that Isaac Burns has been chosen as one of our Years 4-6 winners!

You will receive a printed copy of the doodle for the school and Isaac’s doodle will be available on the website for Australia to vote for their favourite doodle in each age group from 9.00am AEDT Monday, 14th October 2013 to midnight AEDT, on Monday, 21st October 2013. You can vote at http://www.google.com.au/doodle4google.

Please give Isaac a huge congratulations from us!

PLEASE VOTE FOR ISAAC’S ENTRY!

From the Pastoral Associate ... ... ... Mrs Leanne Prichard

SACRAMENT OF RECONCILIATION
First Reconciliation will be celebrated at the end of November this year. Thanks to all the families who have filled out an enrolment form.

The first Parent/Child Information Session is being held this Saturday, 19th October at 5.00pm in the Church of Christ the Priest in Kingston. Families are then invited to stay for the Parish Mass at 6.00pm followed by a shared meal of soup and sandwiches. For catering purposes, please RSVP with numbers either to the College Office or via email at leanne.prichard@catholic.tas.edu.au. All candidates will need a blank A4 size exercise book or art folio which they will use for all of their sacraments.

If you have any questions about the Sacramental Program, please feel free to give me a call on 0409 434784.

ANTI-POVERTY WEEK
This week is Anti-Poverty Week. Poverty and severe hardship affect more than a million Australians. Around the world, more than a billion people are desperately poor. In Anti-Poverty Week, YOU can help fight poverty and hardship!

The main aims of Anti-Poverty Week are to:

• Strengthen public understanding of the causes and consequences of poverty and hardship around the world and in Australia;
• Encourage research, discussion and action to address these problems, including action by individuals, communities, organisations and governments.

Everyone is encouraged to help reduce poverty and hardship by organising an activity during the Week or taking part in an activity organised by others.

For more information, please check out the Anti-Poverty Week website at: http://www.antipovertyweek.org.au

KINGBOROUGH HELPING HANDS LAUNCH
Congratulations to Edna Pennicott and her wonderful Kingborough Helping Hands team who, after
months of preparation, officially launched their Thursday night Kingborough Loui’s Van service last week. Our Kingston Campus Biscuit Drive this term will support this wonderful new outreach project every fortnight with freshly baked goodies for distribution to those in need in our local community. St. Aloysius Catholic College is very proud to be a sponsor of this Kingborough Helping Hands initiative.

**VINNIES/mini-VINNIES CAKE STALL**
Thanks to our Vinnies and Mini-Vinnies students who raised around $200 at their cake stall at the end of last term. This money will be used to sponsor three students in Papua New Guinea as a part of the St. Vincent de Paul Assist-A-Student Program. Thanks to all the students and staff who supported this fundraiser.

**HUNTINGFIELD MASSES**
Masses return to Huntingfield this week with our CSYMA class preparing tomorrow’s Mass. Parents are most welcome to come along at 10.25am in the Chapel.

**Weekend Parish Masses:**
- Saturdays 6.00pm - Kingston
- Sundays 8.30am - Snug
- 10.00am - Kingston (Children’s Liturgy is offered at this Mass)

**Weekday Parish Masses:**
- Mondays 9.00am - Kingston
- Wednesdays 9.00am - Kingston
- Thursdays 10.20am - Huntingfield
- Fridays 5.30pm - St Aloysius Church

**SETTINGS, SETTINGS, SETTINGS…**

Many online services like Facebook, Instagram, Twitter, Snapchat and Kik Messenger have privacy options that include making your photographs and posts private and only available to people you choose. Often these settings are public by default – have you checked? If the images you post are public, automated services like ‘Google images’ will find them, copy them and post them for years to come – even if you make them private later.

Find out how to lock down your privacy settings here:

Facebook: [http://www.facebook.com/help](http://www.facebook.com/help) (and choose the Privacy option on the left).

All social media services have privacy settings - **you will need to lock them down**. If you do not know how then do a Google search – eg “google+ privacy help”.

Check out this video and discuss it with your kids:

http://www.youtube.com/watch?feature=player_embedded&v=_o8auwnJtqE

You should also make sure that personal information is locked down, or preferably not included in your profile. Things like date of birth, telephone numbers, your school and home address should not be included as it is easy for this information to escape, even if your privacy settings are tight. Criminals can use this information to spoof your identity and in a worst case use it to find where you are.

Another setting worth taking control of is Location Settings on your device. This uses the Geo-Location capability to add details on where you took a photograph, or may even announce where you are, on Facebook for instance. This can be an issue if you post a picture online and it becomes public – your location can be tracked by anyone. Also, if you post your location on Facebook you may be making your location public – this can be an issue if you are on holiday as this announces that your home may be empty. This capability can be turned off:

**STATE SATIS ATHLETICS CARNIVAL**

Congratulations to the students (Gr7-10) who have been selected for the SACC Athletics team. The squad have been training and will participate in the Southern SATIS Carnival and State SATIS Carnival.

Details for the State Carnival are as follows:

**State SATIS Carnival - Northern Athletics Centre, St Leonards, Launceston - Saturday, 19th October - 9.00am-4.30pm**

Students will be transported to the carnival by bus, leaving the College at 6.00am sharp. **Parents/Guardians are asked to collect students from the Huntingfield Campus car park between 8.15pm-8.30pm that evening.** As the Carnival finishing time can be unpredictable, could parents please keep in contact with students via mobile phone regarding collection time.

Good luck to everyone participating!

This year Grade 4W students entered a competition to design an image for Google. The theme was “If I was an explorer I would ...”

We were very excited to hear that Isaac Burns was chosen from 80 entries to be one of 8 state winners in the Grade 4 - Grade 6 category.

We need your vote!

This will allow Isaac's work to be displayed on the Google Australia homepage for 24 hours as well as winning prizes for themselves and their school.

Voting closes on 21st October.

You will see the ‘VOTE’ link on the left hand side of the page. Isaac’s entry is in the Years 4 - 6 section.

Isaac’s entry looks like this.

I have chosen space exploration for my drawing because space is the only place that is not completely explored. I also chose space because I like space and there are lots of things I can draw that involve space exploration.

We are so proud of you, Isaac.

Please ask as many people as you can to cast their vote for Isaac.

QUESTACON VISITING KINGSTON

The Shell Questacon Science Circus is a great opportunity for parents and children to share, discover and explore science together. You can encourage a fascination and enjoyment of science by exploring hands-on exhibits. Come along and spin like an ice-skater, discover how fast you can throw a ball, freeze your shadow on a wall and test your reflexes.

Spectacular science shows are presented regularly during opening hours. You may see giant smoke rings, bricks being smashed on someone’s stomach or a Science Circus presenter lighting their hands on fire! Science toys are for sale from our shop.

For full details check out the website by clicking on this link http://www.questacon.edu.au/events/sqsc/public-exhibition/kingston

Cool Little Kids® Anxiety Prevention Program

Is your child shy?

Are they slow to warm up to others?

Do they have trouble separating from you?

Is your child a bit of a worrier?

Would you describe your child as fearful or sensitive?

The Program

The University Psychology Clinic is offering a FREE 6-session Cool Little Kids® Anxiety Prevention Program.

- Cool Little Kids is a group program developed at Macquarie University for parents of inhibited or shy children aged 3 to 6 years.
- The group runs for 6 weekly sessions and will help parents learn how they can best help their child build his or her confidence.
- Group sessions include presentations, skills training, group discussion, practical exercise and home practise.
- The program is run through the University Psychology Clinic – Children and Families Service. This service is part of the postgraduate training program in clinical Psychology and will be run by provisionally registered Psychologists under the supervision of a registered clinical Psychologist.

When

The group is run over a 6 week period starting Monday 11th November 2013, with parents attending the following 2 hour sessions:
