PRAYER FOR REMEMBRANCE DAY:

God our Father, your Son Jesus gave up His life to free us from the power of sin and death. He showed us that the greatest love is in giving up one’s life for others.

Today we remember those who fought and died for our freedom. We ask you to bless and console them together with their families.

Help us to understand the sacrifices they made in leaving their loved ones to face the horrors of war. May we never forget their generosity.

May your Holy Spirit give us the courage to resist evil in all its forms and show us how to be peacemakers through prayer and action, lest we forget those who fought, suffered and died that we might have the freedom and peace we enjoy today.

We ask this through Christ, our Lord   AMEN.

COLLEGE/PARISH FAIR

What a magnificent day it was last Sunday! There were many new stalls and lots of old favourites. There was plenty to keep the children entertained and busy, and there was also a large variety of food and refreshments. The raffles and chocolate wheel were well patronised. The weather was unpredictable, but we went ahead regardless. Thank you to everyone who assisted Sandra Brady, the Fair Coordinator, and Angela Cassidy, the P&F President, in so many ways to make the day the success it was. Your help is very much appreciated.

Thank you to the students who also gave their time and energy to working on stalls at the Fair and for being involved in the musical entertainment.

Thank you to our Utility Officers, Scott Robertson and Cesar Villanueva, who gave many, many hours in helping store goods, set up the stalls and then pack up and clean up. We really appreciate the extra work you have done.

I particularly want to express my thanks and appreciation to Sandra and Angela, whose drive and enthusiasm are absolutely amazing! These two incredible people have done such a huge amount of work over many months to make sure that we again had an enormous day that attracted large numbers to the Fair.

In Harmony with One Another and with God

Prayer
“My God, every day I praise You, my voice blending with the prayer of every generation. You are good and merciful, slow to anger and of great kindness.” - Psalm 145

Scripture Reading
“May God, the source of all patience and encouragement enable you to live in perfect harmony with one another according to the spirit of Christ Jesus, so that with one heart and voice you may glorify God, the Father of our Lord Jesus Christ. Accept one another, then, as Christ accepted you, for the glory of God.” - Romans 15: 5-7

Reflection
“Take everything that happens as coming from the hands of God, who loves you. In this way every trial will become a source of peace and joy since God is not a burden, but rather comfort, joy and cheerfulness.” - St Paul of the Cross.

COLLEGE FAIR
I would like to reiterate the comments from Elaine about our wonderful Fair. I would particularly like to thank our Student Leaders who were instrumental in co-ordinating the student helpers that provided invaluable assistance on the day. What a wonder example of ‘One College, Two Campuses’.

Have a great week, Joe

From the Kingston Campus Director ... ... ... Mr Brendan Gill

THE FAIR
It has certainly been said elsewhere but I would also like to personally thank all the wonderful volunteers that helped at the fair. It really is the pinnacle of community spirit at the College. I have witnessed the huge amount of work and time that has gone into the 2013 fair. I would particularly like to thank Sandra Brady, Angela Cassidy and Melissa Dance. Despite the cool conditions (trust me, the water in the dunking machine was cold), it was a fantastic result.

OUR NEW BEAUTIFUL MOSAICS
You are invited to come and see what our wonderful students have been up to with Mrs Cubit. Together they have created three beautiful mosaics for the school with funds from an Aboriginal Arts Grant. These are currently on display at the end of the blue carpet area. Fairbrother generously contributed the framing to the project. We have three more still in creation so keep an eye out!

THE CROSSING AT ROSLYN AVENUE
Parents and students are reminded that they must use the school crossing on Roslyn Avenue. I recently witnessed a dangerous crossing. While I understand that it can be very tempting, it is unacceptable.

TASMANIAN PREMIER’S READING CHALLENGE
Congratulations to the students in our school community on their participation in the 2013 Premier’s Reading Challenge. The challenge was to read ten books in ten weeks aiming to promote literacy as an essential life skill and to cultivate a lifelong love of books and reading. We recently received achievement certificates for the students at our school who have completed this year’s Challenge as well as a school participation certificate.

ASSEMBLY TIMETABLE
Thursday 7 November, 1.45pm - Musical Extravaganza Part Two
Monday 18 November, 2.10pm - Hosted by Prep WI
Wednesday 18 December, 1.30pm - Hosted by Grade Four & the SRC

TRANSITION DATES FOR GRADE FOUR STUDENTS
Tomorrow at 9am Grade Four students and families are invited to a Question and Answer session with Mrs Donna Duggan and selected Huntingfield Campus students. There will also be a range of blazers for students to try on if parents wish to place an order.

ORIENTATION DAY DATE
Monday 16 December is the orientation day for the whole College. This will allow current and future students of the College an opportunity to familiarise themselves with their new teacher and classmates. The Campus is expanding in size in 2014. Those parents with students in Kinder J and Kinder M will be required to bring their children to school for Prep Orientation. A timetable of the day will be sent home closer to the date.

PLANNING FOR 2014
Term Four also involves considerable preparation for the 2014 school year. Just a reminder that any correspondence about the 2014 school year should be addressed to the Principal or Director of Campus.
**SWIMMING**
A reminder that Prep to Grade Two swimming runs from November 25 to December 6. These lessons are very beneficial and the recent increase in drownings in Australia is a stark reminder of the importance of water safety. You can help your child have a positive experience by ensuring they are both physically and mentally prepared. Physical preparation involves allowing your child time to practice getting dressed after swimming. Mental preparation can involve talking to your child about the upcoming swimming lessons so they are aware of the lessons and and can ask any questions.

**REMEMBRANCE DAY**
Next Monday, 11th November is Remembrance Day, a day where we pause to remember all those who have given their lives in service of our country. There will be prayer services on each campus to acknowledge the sacrifices made by so many for our nation and our world.

**SOCK IT TO POVERTY DAY**
Next Thursday 14th November, our Vinnies/Mini-Vinnies students will be hosting our first “Sock It To Poverty Day” on the Huntingfield Campus. Students from Grade 5 to 10 will be encouraged to wear bright colourful socks on the day with their sports uniform and bring a gold coin donation to raise money for Catholic Mission and the Vinnies NSW Bushfire Appeal. There will be other activities on the day including Sock Lotto, longest odd sock line, and a prize for the most creative outfit made out of socks!! A notice will be sent home about it early next week.

**VINNIES FAIR STALL/VINNIES NSW BUSHFIRE APPEAL**
Thanks to all those who visited our Vinnies Stall at the Fair on Sunday, and thanks to the Vinnies/Mini-Vinnies members who gave up their time to man the stall. Thanks too to those who donated to the Vinnies Bushfire Appeal. We raised $145 on the day and hope to add to this total. If you would like to make a donation, please leave it at either College Office. All donations over $2 are tax deductible. Just leave your name and address with your donation.

**COLLEGE PARISH MASS – ADVANCE NOTICE**
Our final College/Parish Mass for the year will be held on Sunday 24th November at 10.00am. It is also the Feast of Christ the King, our Parish feast day, and there will be a BBQ after this Mass. We hope many families will join us for this special event, to celebrate the many blessings we have received this year, including the wonderful combined College/Parish effort with the Fair last weekend! An invitation will be sent home next week. Please mark it on your calendars!

**PARISH REMEMBERANCE BOOK**
Traditionally, during the month of November, Catholics pray for all those who have died. Our Parish has a special remembrance book where people can write the names of loved ones who have passed away. This book is then brought up during every Mass to remember those people. If you would like to contribute any names to the book, you can either write the names in the book which is at the back of the Church, or email me with the names at leanne.pritchard@catholic.tas.edu.au.

**PARENT RESOURCE LIBRARY**
I have some great new practical books about parenting available from our Parent Resource Library:

- Raising Boys - by Steve Biddulph
- The Secret of Happy Children - by Steve Biddulph
- Beyond Toddlerdom - Keeping five to twelve year olds on the rails - by Dr. Christopher Green
- From No to Yes without Bribing or Threatening - by J Wyckoff & B Unell
- Teenagers and Grief - by Doris Zagdanski
- Beating the Bullies - How did Ben Help Himself - by Dr Lucy Blunt (Children’s book with parent guide)

Please let me know if you would like to borrow one of these or any other books from our library. You can contact me on 0409434784 or at leanne.pritchard@catholic.tas.edu.au

**LOUI’S VAN BISCUIT DRIVE**

Thank you to the many families who have contributed to the Loui’s Van Biscuit Drive over the last few weeks. This week it is Grade 1B’s turn to contribute.

**HUNTINGFIELD MASSES**

Thanks to Mrs Camille Newton and the students from Grade 5N who prepared our “All Saints Day” Mass last week. **PHISING**

“Phishing” is an attempt to acquire information such as usernames, passwords, and credit card details by masquerading as a trustworthy entity in an electronic communication. Communications purporting to be from popular social web sites, auction sites, banks, online payment processors or IT administrators are commonly used. Phishing emails may contain links to websites that are infected with malware. Phishing is typically carried out by email spoofing or instant messaging, and it often directs users to enter details at a fake website whose look and feel are almost identical to the legitimate one. Phishing is an example of social engineering techniques used to deceive users.

http://en.wikipedia.org/wiki/Phishing

Two of the most common ways phishing tries to trick you are with .zip attachments and with links to spoofed web sites.

**ATTACHMENTS**

Most of the phishing emails I have received recently have .zip attachments and pretend to be from legitimate work colleges or head office – they look legit because the return to address looks OK. But they have “spoofed” the address and the .zip file is bound to be a self executing .exe application that if opened on a PC will install malware. The safest approach here is to not open an attachment unless you are expecting it – and if in doubt query the sender before opening.

**LINKS TO SPOOFED WEB SITES**

If you receive an unsolicited email from what looks like a legitimate source, for instance your bank, and it requires you to click on a link – think twice. Rather than clicking the link, go to your browser and type the address of your bank and login there – a spoofed link in an email will take you to an identical looking site that will capture your login details. Have a look at the URL in the address bar – is it slightly wrong? Banks and other service providers will never ask for your user name and password in an email.
SPEAR PHISHING
Another example of techie word craft! In this case it is a concerted effort to break into a business or individual’s account where the perpetrator knows the victim. For instance if it is known that the victim(s) use a particular website for their work, the perpetrator may hack that website and install malware on it so that when the victim(s) visit their computers will be infected. Another way would be to send authentic looking emails, with real facts about the victim, and include a link or an attachment designed to infect their computer.

BEING A SMALL TARGET
If you are aware and careful you are less likely to be tricked. PLUS – keep your operating system and applications up to date. Many attacks rely on you not being up to date and attack known flaws in operating systems and applications.
