Meeting commenced with a Prayer: 7:00pm

Introduction of Committee and Staff:

Attendees

Parents and Friends: Angela Cassidy (President), Debbie Wills (Vice President), Toni McGinnis (Treasurer), Joanne Brooks (Secretary), Caroline Jager, Lucy Gayler, Cate Harding, Katrina Cooper, Danielle Milic, Briar Ayliffe, Caterina Thompson and Melissa Dance.

Staff: Elaine Doran, Brendan Gill, Joe Sandric, Kate Bridge, Gerard Cronly, Russell Joyce, Donna Duggan, Jenny Noble, Dee Spaulding, Andrea Reece, Leanne Pritchard and Casey Moore.

Apologies

Jane Steele, Erica Ramage, Wendy Nielsen, Bec Sward and Tanya Griggs.

Confirmation of Previous Minutes

• Correction required to the Draft 12th March Minutes in Section 9.1 to change $15,000 in printing expenses to $50,000 in printing expenses.
• The rest of the 12th March 2014 Meeting Minutes were confirmed as True and Accurate.

Moved by: Mel Dance  Seconded by: Caterina Thompson

Presidents Report

• Following discussion between Bec Sward, Angela Cassidy and Elaine Doran it has been decided that the P&F will no longer cater for the Monthly Board Meetings due to various reasons including lack of helpers. The P&F would like to pass on their thanks to Edna Pennicott who set up and arranged the catering for many years, as well as passing on a big Thank You to Bec Sward, the current co-ordinator, and all the people who have assisted with the catering over the years for all the time and effort they have put in, it has been a good, consistent source of income for the P&F over the years.
• President advised the main focus for P&F this term would be the Mid-Year Function on 16th August, the Sausage Sizzles, Collection Days, and bring a bag day.
• Requested that during the meeting we try to focus towards providing workable solutions to any issues raised rather than being caught up in the general discussion.

Treasurer’s Report

Account Balances

<table>
<thead>
<tr>
<th>Account</th>
<th>Balance</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Account as at 12th March 2014</td>
<td>$31,054.04</td>
</tr>
<tr>
<td>Fair Account as at 12th March 2014</td>
<td>$ 502.99</td>
</tr>
</tbody>
</table>

• Large increase in the General Account balance from $31,476 in March to $37,476 in May mainly due to revenue raised from the Easter Raffle, Sausage Sizzles and the Mothers Day Stalls. It was noted that this years Profit from the Easter Raffle exceeded last years profit from the Easter Raffle and bun drive combined.
• Toni advised that a total of $1,800 from the Fair Account has been transferred evenly between the P&F General Fund and to the Parish Fund upon agreement between Parish Council and P&F Executive.
Principal’s and Directors Reports

Principals Report – Elaine Doran

• At every Swimming Carnival Event held to date our students have represented our College with pride and excellent sportsmanship.
• The College Parent/Teacher Goal Setting Consultations were held at Huntingfield. Elaine received numerous positive comments re the process and also a few suggestions, which will be taken on board in order to help improve the experience of future events.
• All Grade 4-10 camps/retreats have been held except for Grade 6.
• Thanked P&F for the holding of the Easter Raffle and the Mothers Day Stalls as these excellent events engender enormous interest and support from families.
• Interviews for 2015 Kindergarten and Grade 7 enrolments are being conducted with positive feedback received at interviews from prospective parents. Thanked all people who are spreading the good news about the college.
• Celebrated Lent, Holy Week and Easter with beautiful prayer services and liturgies.
• Naplan assessments’ being conducted this week for Grade 3, 5, 7 & 9.
• Provided Staff News update.
• Provided update on KC Capital Works Program.
• Advised up and coming Key dates
• Please See Appendix B (located at end of minutes) for the detailed report.

Joint Director’s Report– Brendan Gill and Joe Sandric

• Brendan advised Kingston campus has put a concentrated effort into its teaching and literacy program and teachers from other schools including Mount Carmel and Stella Maris Catholic School in Burnie have spent time at the school studying how we run our literacy block
• Brendan advised the redevelopment of the Tennis courts which is planned to start in a month is going to be awesome.
• Joe advised the Huntingfield campus literacy program builds on from the Kingston campus program and allows for a consistent transition from Kingston campus with the two learning centres having core literacy times.
• Huntingfield campus has been working on building up its house spirit within the school community with students sitting in their houses at assemblies and having a singing competition where the winning house earns house points.
• Instead of the Kingston Campus Betta B cards the students receive house points for having the proper “Be Attitude”, these points are tracked via a website and will be displayed on a scoreboard at Huntingfield campus that will be funded through asking Grade 3-10 to pay a $2 gold coin donation for free dress on the School cross country day and through Parents and Friends Association funding, with the School paying the balance.
• Elaine advised that the School Cross Country and Do-a-thon day will hopefully be held on Thursday.
• Please See Appendix C (located at end of minutes) for the detailed report.

Pastoral Report

• Leanne advised Jayden Appleby, from Grade 7 won the Catholic Youth Ministry’s Palm Sunday Pilgrimage’s Snap Post and Win Competition. St Aloysius also won the prize for the most school entries in the competition.
• Leanne thanked the many students, families and staff who were involved in our Holy Week and Easter liturgies.
  - Thanked the Grade 10 CSYMA students and Mr Sandric who presented a reverent and reflective Stations of the Cross for students on the Kingston Campus on Holy Thursday as well as a resurrection liturgy on Monday.
  - Thanked the other Grade 10 CSYMA students who presented a modern and moving Holy Thursday liturgy to students on the Huntingfield Campus and a joyful and uplifting resurrection liturgy on Monday morning.
  - Thanked the Grade Four students preparing for the sacraments who were involved in various parts of the Parish Holy Thursday evening Mass.
- Thanked the students from our College who joined with other young people from our Parish to present the Parish Stations of the Cross on Good Friday.
- Congratulated Kylie Shelverton, Lisa Shelverton and Melissa Dance from our College who were welcomed into the Church at the Easter Vigil.
- Advised that the Sacramental program held a retreat and students had an opportunity to make a kite, prayer cloth and beautiful candle holder, with confirmation scheduled for 12th June.
- As part of national volunteer week Leanne thanked all parents including the P&F who volunteer their time and advised that the new Parish volunteers at Huntingfield and Kingston Campus are enjoying their experience.
- Retreat Programs have been held for all grades 7-10 and have been successful.
- Busy Bee Program going very well with only a few minor problems to iron out.
- Reported that fundraising for Caritas went very well this year with Purple Day, LBL etc being all very successful and raising over $2000 for Caritas.
- Coming up on 27th June for St Aloysius Day is the big sing where the old school song will be resurrected.
- Leanne is currently working on updating the Parents Resource Library, with the intention to put the database on our website.

## Business Arising from Previous Minutes

### 8.1 Easter Raffle
- The Easter Raffle was hugely successful and ran perfectly. It was commented that it is always a wonderful sight when the kids come to the office and pick up their prizes. A big thank you to Jane for organising the raffle. Please see P&F newsletter for further information.
- During the month some confusion arose on how the profit received from the Easter raffle should be treated. As in past years we have treated the money in two different ways.
  - The first method was to use the money to kick start the fair account, but the P&F does not make a donation to the Fair Raffle Prizes.
  - The second method, which is consistent with the motion approved at the P&F meeting in June last year is for a small amount of money to be left in the Fair Account at the end of every year in order to kick the account for the following year and for the P&F to contribute up to $1,000 towards the Major Raffle Prize for the Fair.
- Discussion at the meeting indicated everyone is in favour of the second method, and therefore Angela proposed the following motion, which is consistent with the motion approved at the June 2013 P&F meeting concerning the Fair raffle prize.:
  
  “The Profit from the Easter Raffle will be deposited into the P&F General Bank Account. While each year an amount of $500 will be kept in the Fair Account which will be used for preliminary fair expenses concerning the following years fair. Also each year the P & F Committee made up of the President, Vice President, Treasurer and Secretary have the power to approve, or not approve, the P & F contributing to the First Prize of the St Aloysius College and Parish Fair Raffle an amount between $500 and $1,000 that can be used by itself or preferably in partnership with another donation to make up the First Prize for the Raffle.”

<table>

<tr>
<th>Approved: All</th>
<th>Opposed: None</th>
<th>Motion: Approved</th>
</tr>
</thead>
</table>

### 8.2 Car Parking
- Angela advised that a large number of parents have reported that the current car parking arrangements are very dangerous and it is the belief of the parent population that it is a miracle that no child has been injured by a car to date and that it is only a matter of time before someone is hurt if the current conditions remain and something is not done.
- Angela along with Mel and Janet spent the morning in the car park last week educating parents on some of these unsafe practices, and it was extremely obvious that something more needs to be done if we are to avoid an accident happening involving a child in the future. Our School has significantly grown in number in the past few years with an equivalent growth in the number of cars dropping off children but no corresponding change to parking arrangements has been made to deal with this increased growth.
- It was agreed that dangerous areas included the secretary’s car park area, people stopping and dropping off children at the entrance gates and stopping and dropping off in the top area near Father Chris’s driveway. It was
also reported that Father Chris was blocked in one day and could not get out even though the lines clearly indicate no stopping.

- It was agreed that Angela would meet with Father Chris and Elaine to discuss potential ideas to stop the unsafe car parking practices of those few parents who are currently not obeying the well known school car park rules.
- Elaine advised that Huntingfield campus is working on a traffic management plan, which would include a second staff car park, which would provide more space in the current car park but that no funding is available this year as the redevelopment of the Teacher and Learning facilities needs to take first priority.
- Ideas raised included a drop off zone, large signs, Teacher supervision in car park of a morning, director to provide random checks of car park in morning, etc

  - **Action: Angela, Elaine and Father Chris to meet and provide action plan by P&F Meeting June 14**

### 8.3 Fair Update

- The Fair Committee had its first meeting in April consisting of Angela Cassidy, Debbie Wills, Joanne Brooks, Sandra Brady, Caterina Thompson and Mel Dance, with the next meeting scheduled for next Wednesday night at 7pm, all welcome.
- As no one has volunteered for the Fair coordinator position, Debbie Wills, Joanne Brooks and Angela Cassidy have agreed to be Joint Fair Coordinators for 2014 in order to ensure the Fair will proceed.
- Flyers for volunteers have been distributed both by the School and the Parish and can also found on the Fair website.
- Sandra Brady, Elaine Doran and Father Chris have proposed a new name for the Fair and it will be discussed and voted on at the next Fair meeting.
- Elaine advised that Brendan and herself would be unable to attend but Joe would be in attendance.

### 8.4 Mid Year Function Update

- A request for committee volunteers has been issued with Caroline being the only volunteer at this stage. If you are able to assist Jane please contact Jane Steele at jane-steele@hotmail.com.au.
- The Function is an 80s night to be held at the Sisters of Charity centre on the 16th August. Scott Robinson has been booked as DJ.
- Angela confirmed with Elaine that we would like to use the Hospitality students again this year, and advised that we have already received some donations for prizes.

### 8.5 Entertainment Books

- Of the 510 books originally ordered, 150 have been sold, 210 returned and approx 150 are still outstanding, consisting of 90 from Kingston and 60 from Huntingfield.
- We have raised approx $2,000 to date and are hoping to make $3,000 in total for the year.
- Reminder letters for outstanding books were issued yesterday.

---

### Agenda Items

### 9.1 Funding Submissions

Angela calculated we have approximately $25 000 with which to consider funding submission but we need to be mindful that we will have a later round of submission and the limitation of funds.

Summary of the 1st Round May Funding Submissions is as follows:

<table>
<thead>
<tr>
<th>APPLICANT</th>
<th>REQUEST</th>
<th>AMOUNT</th>
<th>DISCUSSION &amp; OUTCOME</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sarah Goodwin–</td>
<td>A small, mobile shelving unit for use Mainly by the Prep, Grade1’s and 2’s.</td>
<td>$1,176.20</td>
<td>P&amp;F noted that submission was very comprehensive with excellent detail. Angela commented on the quality and thoroughness of submission.</td>
</tr>
<tr>
<td>Librarian KC</td>
<td></td>
<td></td>
<td>Approved: All – Up to a value of $1,176.20</td>
</tr>
<tr>
<td>James Hickey –</td>
<td>Sets of heart rate monitors (10) for fitness testing, can link up to 40 students at one time for real time</td>
<td>$750</td>
<td>Discussion on the benefits of the monitors.</td>
</tr>
<tr>
<td>Sports</td>
<td></td>
<td></td>
<td>Approved: All – Up to a value of $750</td>
</tr>
<tr>
<td>Teacher HC</td>
<td>feedback.</td>
<td>Opposed: None</td>
<td></td>
</tr>
<tr>
<td>------------</td>
<td>------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------</td>
<td>--------------------------------------------------------------------------------------------------</td>
<td></td>
</tr>
<tr>
<td>Peter Freeman, Russel Joyce and Kate Bridge – HC</td>
<td>3D printer for, just over $3,000, allows students to print real items such as iphone amps, understand manipulation. Make jewellery, engineering tasks such as solar cars, robotics kits components, components for game boards. Benefits would be provided across many classes.</td>
<td>$5,000 Issue of obsolescence raised, has two year warranty, can print replacement parts for itself or other printers. Time consuming for teachers but many benefits. Not many school have them, aware Ogilvie, Hutchins and Friends have them. Could we have it on display at the fair? Will save money in the long run, as looking at making 15 solar cars and they could make wheels for their solar cars. Discussion on types of materials that can be used. Question on quality of the machine raised by Brendon, entry level machine, recommended industry standard. Next model up is around $10,000. Approved: All – Up to a value of $5,000 Opposed: None</td>
<td></td>
</tr>
<tr>
<td>Anne Blythe Cooper – Music Teacher – HC</td>
<td>Jam hub and electronic kit, $1,400 for one item or $890 for one. Provides for silent practice. Detailed submission outlines many benefits of the hub and kit.</td>
<td>$1,398 or $849 together Deferred to Next Meeting Elaine raised point that she would like some more time to consider this application as she hadn’t been able to view and obtain further information on the application of the products. Proposed we defer to the next meeting. Deferred to Next Meeting.</td>
<td></td>
</tr>
<tr>
<td>Elaine and Jo Sandric on behalf of Sports Leader Tom Cornish – HC</td>
<td>Electronic Scoreboard for Huntingfield campus to be permanently mounted on the wall in the gym or cafeteria. The scores could be updated automatically by the teachers. Full cost is $3,000, requesting $1,000 from P&amp;F, with the students hoping to raise $1,000 at the cross country/ activities day and the school to provide the balance.</td>
<td>$1,000 Approved: All – Up to a value of $1,000 Opposed: None</td>
<td></td>
</tr>
<tr>
<td>Andrea Reece – Kinder teacher KC</td>
<td>New Wooden blocks for creative play in the Kinder Classroom. As the existing blocks are old and developing splinters.</td>
<td>$499.60 It was noted that the P&amp;F had funded blocks for Kinder last year. Andrea advised that the Kinders are run on different days and that her room does not have access to the blocks. Discussion on other options such as Huntingfield woodwork making blocks. Potential issues and work arounds. Brendan raised issue of equity between classes. Approved: All – Up to a value of $500 Opposed: None</td>
<td></td>
</tr>
<tr>
<td>Kylie Shelwerton with Leanne Prichard and Brendan Gill</td>
<td>Concert and Workshop by Andrew Chin who wrote from these hands. Application is for $550 which includes Pep-Grade 4.</td>
<td>Applied $550 Approved $1,500 as includes Gd 5&amp;6 Comments by Elaine Doran and Leanne on the importance of the program. It was discussed that the Grade 5 and 6 classes would also greatly benefit from this program and therefore Angela moved we commit up to $1,500 which will include all classes from Prep to Grade 6, for a visit next year. Approved: All – Up to a value of $1,500</td>
<td></td>
</tr>

  - Showbags
  - Fun Run Fundraising
  - APC Review Publication

Internal
- P&F Newsletter
- Mothers Day Stall Notice

Grade Representative Items
- Caterina Thompson read out a letter from Sally Broadribb praising the Mother’s Day stall
- Caterina Thompson advised that she had received a letter from a parent regarding the absence of class list’s this year. Brendan responded stating it was due to a number of reasons, for example classes can change, allows flexibility for them to change, the aim of the college is for the parents to focus on a relationship with their teacher, they feel it turned a negative class list situation into a positive. Brendan also stated that is was standard practice across other schools. Jo Sandric commented that they put a lot of effort into the Huntingfield campus orientation day last year and that he had received positive feedback. Not having class lists allowed re shuffling of students if needed, especially when students come from new schools. Last year the School had over 30 new students. Debbie suggested some pre-warning of such changes in procedure would be appreciated by parents.
- Discussion identified that to be able to move children around is very important to ensure that year to classes suit the children and provide a mix of their abilities and needs. Brendan commented that the teachers put a lot of effort and consideration into the class lists. Elaine commented that exception is with Kinder students as you don’t know the new students as yet.
- Angela raised issue of what action to be taken by parents if they are not happy with any changes; we were advised that they can contact the directors personally.

General Business
- Angela thanked Samantha Wilton on behalf of P&F for updating the website.

Next Meeting 11th June 2014 - 7pm
Meeting concluded: 9.20pm

</table>
Since the P&F Meeting in March, a number of significant events have occurred.

We have had swimming carnivals – our own Grade 3 – 6 & Grade 7 – 10 carnivals, as well as the Catholic Primary Schools carnival, the Huon & Channel carnival and two SATIS carnivals. At every event, our students represented the College with pride and excellent sportsmanship.

We held our whole College Parent/Teacher Goal Setting Consultations at the Huntingfield Campus, where all Kinder to Grade 10 teachers met with parents. We have received positive feedback both in person and through the online survey we conducted. Supportive comments were made that having the consultations at the one location assisted parents, particularly those with children at both campuses. Parents also commented on the friendly manner in which the Grade 10 student leaders assisted parents as they arrived. There was other positive feedback and there were also suggestions received to continue to improve the experience for both parents and teachers. We will take these suggestions and work towards improving the future Parent/Teacher Consultations.

We have had all our annual camps for Grades 4 – 10, except for Grade 6, who will be travelling to Canberra later in Term 4. We have also held retreats for our senior students.

Thank you to the P&F for your excellent fundraising events that have been held – Easter raffle and Mothers’ Day stalls. These events engender enormous interest and support from our families who greatly appreciate those extra little touches that the P&F bring to these events. Thank you so much!

Brendan, Joe and I have been conducting interviews for 2015 for Kindergarten and Grade 7 enrolments. There continues to be very positive feedback at the interviews with prospective parents commenting that they have enrolled at our College on the recommendations from friends who have or had children at St Aloysius. So thank you if you are spreading the good news about the College.
Lent, Holy Week and Easter are very important aspects of the Church year and we celebrated and commemorated these holy events with beautiful prayer services and liturgies.

This week NAPLAN assessments are happening for Grades 3, 5, 7 & 9. Information for parents and teachers will be issued much later in the year.

**Staff News**
Jacqui Freeman and her partner, Paul Crombie, have welcomed their second child, Georgia Matilda Dawn Crombie.

Kate O’Driscoll, a former Assistant Principal and teacher at SACC, passed away in March. Kate left a considerable and remarkable legacy not only at SACC, but also to Catholic Education in general. She will be sadly missed.

Gabrielle Fisher’s father, Geoff Knott, passed away recently.

Carmel Shelverton celebrated her marriage to Brandon Sills on 3rd May.

Graham King completed his contract before Easter. Mrs Belinda Brown has been appointed as the replacement teacher.

**KC Capital works Program Update ... ...**
The redevelopment of the tennis court and the Kinder/Prep playground will soon commence. There will be hardstand space equivalent to one and a half courts to increase the play space in that area. This is particularly important for wet weather play and if the oval has to be closed. This provides extra space options for Phys Ed as well.

**Coming up ... ...**
28th May Huon & Channel Cross Country (Grades 3 – 6)
5th June Ditto’s Keep Safe Adventure (funded by the P&F)
9th June Queen’s Birthday Public Holiday
10th June SSATIS Cross Country (Grades 7 – 10)
12th June Confirmation
