A WORD OF POPE FRANCIS

*"If we don't take hold of the Lord's outstretched hand, looking
 for more security we consult horoscopes or tarot cards and then
 we start to sink. Faith in the Lord and in his Word doesn't
 necessarily mean that all is easy and tranquil; it doesn't take us
 out of the storms of life. Faith gives us the security of a presence,
 the presence of Jesus, helping us face the difficulties and upsets
 of life, showing us the way ahead, even when all is darkness. In
 other words faith is not escapism from the trials we face, rather it
 is there to support us on our journey and to give some meaning
 and purpose to it."*
