A WORD OF POPE FRANCIS

“Besides this the Holy Spirit is given the role teaching us and reminding us. This is what told us. But the Holy Spirit doesn’t teach us something new or different, but makes the Jesus present, alive and operational within us. The passing of time does not erase or weaken him. The Holy Spirit helps us to interiorise within and hears his words, so much so that they it were a part of us, flesh of our flesh. Thus capably passing on such a gift. Each time walking with in the Word of the Lord is our...
