A WORLD OF POPE FRANCIS
"Being patient does not mean letting ourselves be constantly mistreated, tolerating physical aggression or allowing other people to use us. We encounter problems whenever we think that relationships or people ought to be perfect, or when we put ourselves at the centre and expect things to turn out our way. Then everything makes us impatient, everything makes us react aggressively. Unless we cultivate patience, we will always find excuses for responding angrily. We will end up incapable of living together, antisocial, unable to control our impulses, and our families will become battlegrounds.”

THANKS
We would like to send our deepest gratitude to all those parishioners who participated in the World Youth Day ‘Wall-O-Money’ fundraiser. We were overwhelmed by everyone’s generous contributions. The donations given throughout this event enabled us to raise an incredible $1360. Other money donated through the monthly youth collection and additional fundraisers significantly helped us reach our fundraising goal as well. If it was not for the parish’s kind generosity, this journey we are about to experience would not be possible. We’d like to especially thank Bernadette Smith for managing our finances, Leanne Pritchard with all the members of the Parish Youth Group for continually fundraising to support us and Fr Chris for his ongoing encouragement. We will be on pilgrimage from July 13th until August 5th, and look forward to keeping in touch in parish while we are away.

With Thanks, Alice Sandric and Hannah Irvine
