A WORD OF POPE FRANCIS

“I sincerely believe that Jesus wants a Church attentive to goodness which the Holy Spirit sows in the midst of human weakness, a Mother who, while clearly expressing her teaching, ‘always does what good she can, even if in the process, her shoes get soiled by the mud of the street......’’ Let us stop looking for those personal or communal niches which we take some time for reflection on our faith with guest speakers at Emmanuel Retreat Centre in Launceston from Friday 16 September. The weekend provides an opportunity to enter into the reality of other people’s lives and to feel the power of tenderness. Whenever we do so our lives become wonderfully complicated”.

“The Year of Mercy” is the theme of this year’s Charismatic Renewal state conference being held at the Emmanuel Retreat Centre in Launceston from Friday, Sunday 18th September. The weekend provides an opportunity to enter into the reality of other people’s lives and to feel the power of tenderness. Whenever we do so our lives become wonderfully complicated”.
