A Message from the P&F President

As this is my last message as the President of the P&F, I take this opportunity to pass on my heartfelt thanks to the many people who have supported both me personally, and the P&F committee, in 2013 and 2014.

I have gained many interesting skills and had many valuable experiences along the way. I have loved the time spent with the students both at Kingston and Huntingfield Campuses and the opportunity to work with teaching staff, other parents and parishioners and I am grateful for everything I have learned along the way.

As Mother Teresa’s said I can do things you cannot, you can do things I cannot, but together we can do great things. Together with the committee, coordinators, teaching staff, students and parishioners, and with the support of our partners, I believe we have achieved great things. Not just by raising funds but by coming together as a College Community and we need to ensure this stays alive and remains part of our focus as we move forward into the future and grow with the College.

I thank Elaine, Joe & Brendan for their continual support of the P&F and direct support of me in my role, it has been greatly appreciated.

It would be remiss of me not to mention those who have been of great support in my role during the last two years and I sincerely thank them - Mel Dance, Toni McGinniss, Deb Wills, Joanne Brooks, Bec Sward, Lesa Ratcliffe, Tanya Griggs, Caterina Thompson and Anne Cooper.

Continued over…..
At times during the past years I have been humbled by their generosity of spirit, for the giving of their time, their humour and for caring.

Due to personal and additional work commitments I am unable to continue in my role on the P&F Executive Committee in 2015.

It is important now for the P&F to refresh the Executive Committee with new faces and fresh ideas to re-energise the P&F, and make it even better. I wish all those who take on these roles in 2015 all the very best and request they stay focussed on the P&F motto “Parents and Friends – Helping Make a Better College for our Children”.

May the blessings of Christmas be with you and your families. Take care, travel safely and have fun.

Angela Cassidy

From the P&F Executive Committee

2014 has been a busy, productive and successful year for the P&F with over $30,000 raised via Sausage Sizzles, Easter Raffle, Mother’s and Father’s Day Stalls, the Mid-Year Function (80’s Night), Entertainment Books and the Fair. This year the P&F has committed these funds to a variety of items, and activities, with the major contribution being $15,000 towards the netball/basketball courts at the Kingston Campus.

It is exciting and rewarding to see the funds directly assist our children across both campuses and without these contributions from the P&F our children may not have the opportunity to experience these activities. Further details of where the funds have been distributed are included in this newsletter.

We thank the following wonderful Coordinators who have done an outstanding job by supporting the P&F and raising funds in 2014:

**Coordinators 2014**

- Fair: Deb Wills, Joanne Brooks and Angela Cassidy
- P&F Mid-Year Dinner: Jane Steele, Caroline Jager and Mardi Ditcham
- Mothers/Father’s Day Stalls: Lesa Ratcliffe and Angela Cassidy
- Entertainment Books: Melissa Dance
- Sausage Sizzle: Tanya Griggs, Corina Loveluck and Lisa Kean
- Easter Raffle: Jane Steele
- Welcome BBQ: Angela Cassidy and Debbie Wills
- P&F Newsletter: Caroline Jager
- P&F Flyers: Angela Cassidy
- Birthday Books: Tanya Griggs
- P&F Facebook Page: Angela Cassidy and Erica Ramage

We especially thank our creative and talented P&F Newsletter Editor Caroline Jager. Caroline has done an amazing job this year producing a fantastic document, providing wonderful updates and photos for the families of our College. Caroline has very kindly offered her skills as Editor for 2015.

We thank the Principal Elaine Doran, Directors Joe Sandric and Brendan Gill, teaching staff, administration staff, maintenance staff at both campus offices, parents, students and parishioners. Your time and hard work is GREATLY APPRECIATED and we sincerely thank you for your support of the P&F in 2014.

This year we as an Executive Committee are all standing down. Due to a variety of reasons we are unable to continue in our roles. We do all hope to assist future P&F activities where and when we are able to.
Unfortunately we currently only have one parent (Jayne Duffy – thank you Jayne) who has indicated she would be happy to take on the role as Co President or Vice President. We urgently need parents to come forward to take on these important roles otherwise the P&F will not be able to continue into the future, therefore, less funding for our children, less activities and less social opportunities for parents and children.

Volunteering for the P&F Committee is very rewarding, you gain experience, you will help strengthen our College Community, you get a chance to give back to your community, and you get the opportunity to make a difference in your child/children’s time at St Aloysius Catholic College.

We strongly encourage anyone who is able to take on an Executive Committee position and/or coordinate any of the P&F events to make contact with us as soon as possible.

Without parent support there will be no P&F for 2015.

Again we thank all those who have supported the P&F in 2014 and wish you all well for the Christmas Holidays and the year ahead.

Huntingfield Campus was the place to be on Sunday 9 November, the sun was shining and the stall holders were ready and crowds came in their hundreds. Although there had been concerns about the change of location, date and time, we are very pleased to advise the **Fair was a fantastic success, raising $35,000** and the overwhelming response regarding the change of location to the Huntingfield Campus has been completely positive. We were blessed with perfect weather and a wonderful team spirit amongst stallholders and helpers on the day. The Fair proved what an amazing College Community we have at St Aloysius with parents, parishioners, students and teaching staff all working together.

We would like to extend our warmest thanks to everyone who donated their time and energy to ensure the Fair was a huge success, from those who assisted in preparation, setting up, working on the day and to all those who attended and supported the Fair. We thank Les Gardner who worked tirelessly to ensure our Fair met all compliance requirements and was safe and successful. Big thanks go to Cesar Villanueva and Daniel Groves for your many hours of hard work transporting items ready for the Fair, setting up, and packing up on Fair Day and the week after.

We thank the Fair Committee: Sandra Brady, Melissa Dance, Caterina Thompson and Liz Jordan. Special mention to the Fair Collection Coordinator Caterina Thompson, who spent many hours sorting and storing donated goods in preparation for Fair Day and ensured left over items from the Fair were re-donated to different organisation. We also thank those who assisted Caterina during this time. Thanks also to Anne Cooper and Fr Chris for their ongoing support.
Thank you to all the staff for your hard work, with particular thanks to the Peter Freeman, Janey Donovan, Anne Menzie, Frances Newlands and Russell Joyce. A big thank of course to Elaine Doran, Joe Sandric and Brendan Gill for answering our many questions and their ongoing support and enthusiasm arranging staff and students to assist across a variety of tasks. Thanks also to Paul Howe, Lisa Kean, and the fantastic Grade Nine girls donating their time and beautiful smiles to the task of selling raffle tickets. We would also like to thank parents, students and parishioners for supporting free dress days, tombola day, bring a bag days, donating goods, buying raffle tickets, baking cakes and making sweets and for coming along to support the Fair.

We thank Sandra Brady and her team for their amazing work in treasury, preparing floats and counting all the takings. What a busy place to be! Thank you for the wonderful job. We especially would like to thank Sandra for all her hard work in the past ensuring the treasury role runs smoothly each year and for all her dedication and commitment to the Fair in the past years. Sandra’s contribution to the Fair has been enormous and we are very grateful and appreciative.

Thanks also goes to Justin and Rebecca Polley from Southern Smash Repair. Justin and his team gave the Dunking Machine a much needed colourful makeover. The Dunking Machine looked fantastic and we thank you for the donation of your time, labour, paint and skills. Thank you also to those who were dunked on the day providing great entertainment and adding some humour and excitement to the Fair.

Thank you also to James Hickey & Ben Fasnacht for driving the bus throughout the Fair and to the amazing Pauline Lms for driving the bus after the Fair loaded with left over goods to Lorraine Andrews at the Kingborough Family Church. Thanks to our Fair, Lorraine no longer needs any further goods. Thanks also goes to Caterina Thompson for making this possible, as it was wonderful to see the items re-donated go to such a worthy charitable organisation.

**Entertainment**

We had an exciting action packed Entertainment line-up this year kicking off the Fair with the very popular Peddlers Parade with Cheerleaders from the Kingborough Gymnastics Centre (KGC) giving a big welcome Fair cheer! We were treated to two wonderful dancing shows brought to you by House of Dance and Linx Dance and an entertaining Cheerleading display. Entertainment also included the fun and entertaining skipping demonstration from Grade 4R and some enjoyable music from the Grade 3/4 Recorder Group. It was wonderful to have our very own students from the Huntingfield Campus entertain us with their amazing musical talents and we thank Joe Brady, Emma Donovan, Niamh Brady, Holly Gregg, Oliver Ditcham and teacher Simon Eade.

We thank a very talented grandparent Sharon Donovan who busked on her concertina with all proceeds going to the Fair.

The Circus Display by Rose Brinkhoff from KGC entertained many young children and was very popular on the grassed area. Thank you Rose for the fantastic display of your skills.

Everyone was simply amazing and we send a big **THANK YOU** to all the students who took time out of the Fair to participate and also to everyone who organised the entertainment and the groups with a big thank you to Andrea Reece, Anne Blythe-Cooper, Simon Eade, Carol Reynolds, Megan Taskunas, Bond Larkin, Marla Leitch and Nicole Sorrentino for the huge effort put in to organise the groups.
There would be no Fair without our fantastic Stall Coordinators and all their helpers, once again they demonstrated how wonderful our College Community Spirit is. We especially thank the following Stall Coordinators:

Kingborough Helping Hands is a group of like-minded people who have come together with the objective of assisting less fortunate people within our communities. They aim to do this by providing food and other forms of relief on an ongoing basis.

Edna Pennicott established this community organisation many, many years ago and each Thursday evening heads out in the Helping Hands van to distribute food, soup and hot drinks, along with a warm smile and a chance to have a chat to those who are in need. The biscuits donated through the biscuit drives at St Aloysius throughout the year are all given out through their van service.

In addition to running the food van each week, Edna and her army of volunteers also distribute grocery hampers to people who are experiencing hardship. In 2014, Kingborough Helping Hands delivered 175 hampers filled with groceries valued at $75 each. The team expects to deliver in excess of 200 hampers in the lead up to the Festive season.

Kingborough Helping Hands are extremely appreciative of donations of non-perishable food and other goods that people experiencing hardship may need. Suggested items for donation include:

- Longlife Milk
- Cereal
- Spreads (Vegemite, Jam, Honey)
- Drinking Chocolate/Milo
- Mini packets of biscuits for lunch boxes (tiny teddies, crisps, shapes)
- Toiletry Items (shampoo, soap, deodorant, toothbrushes, toothpaste, combs, hair elastics, hair clips)

Anyone wishing to contribute to these hampers can drop off donations to the Kingborough Council Chambers, the Kingston Community Health Centre in John Street, Senator Catryna Bilyk’s office in Kingston Plaza, Will Hodgman’s office and the Bendigo Bank in Channel Court or Jess Porter at 94 Roslyn Avenue.

The organization is also looking for volunteers to assist with their activities. If you are interested in giving back to your local community, please contact Edna at Kingborough Helping Hands on 0449 110 895 or at: kingboroughhelpinghands@gmail.com or you can follow them on Facebook.

Also looking for volunteers to help with their food van. With the rotating roster, it would be every 10-11 weeks that your will be rostered on.
Where have the funds gone?

In 2014, the Parents and Friends Committee had a very busy, yet successful year fundraising with sausage sizzles, stalls, raffles and the fair...just to name a few events.

In all, the Committee has raised in excess of $30,000 throughout the year.

But where does it go?

The single largest contribution in 2014 has been $15,000 for the purchase of new basketball posts/backboard rings that can also be used as netball rings, and safety padding for the new courts on the Kingston Campus. The new courts were ready for use by students at the start of Term Four.

Mrs Nicole White wrote to the P&F expressing her sincere thanks for the donation of $15,000. She said that: “the students now have a wonderful facility which can be enjoyed at recess, lunch, during Physical Education lessons and for Daily PE. In order to show our appreciation, we would like to have a plaque attached to the courts detailing the donation from the P&F.”

Other items that have been purchased that directly benefit our children include:

**Kingston Campus:**
- Bravehearts Program for Prep to Grade Four students $1520.00
- Mobile library shelving $1176.20
- Precision paper slicers $2200.00
- White board easels $3050.00
- Wooden block sets for Kinder $500.00
- Run a Garden Program $200.00
- Dance Fever Skipping Program $250.00
- Fine Motor Resources for Kinder $250.00

**Huntingfield Campus:**
- Curriculum text books
- 10 x heart rate monitors $750.00
- Jam Hub and Electronic Kit $1398.00
- 3D Printer $5000.00
- Contribution towards the Electronic Scoreboard $1000.00
- Curriculum Support Materials for Grades 5 & 6 $600.00

**Cross Campus:**
- Wireless Timing System for Swimming and Athletic Carnivals $550.00
- 2015 Andrew Chin Concert/Workshop for students Prep to Grade 4 $1500.00

It is both exciting and rewarding to see the funds directly assisting our children across both campuses over a great number of programs and events.
