SACG Fundraiser – Entertainment Books

Dear Families,

The St Aloysius Community Group is again selling Entertainment Books as a fundraiser for our College. This fundraiser has been very well supported by the St Aloysius community and has raised over \$21,000 for our College over the past seven years.

I ask each family to show the book that you have received to as many family, friends and work colleagues as possible over the next few days, and encourage you to consider purchasing your own book if you have not already done so. For families who are not familiar with the Entertainment Book, the savings available will immediately become apparent when browsing through the book. It is easy to use and the book's purchase price is usually recouped in only 2-3 uses. With Mother's Day coming up very soon, please consider the book for a present that can be used again and again over the next twelve months.

Families who purchased last year's book are reminded that the 2016/17 edition is still valid for use until the end of May.

Important information is enclosed with the book you have received. Please read the instructions carefully as they explain exactly what you need to do. Again, I strongly encourage every family to show the book to as many people as possible over the next few days. Thank you in anticipation of another successful Entertainment Book campaign this year.

Enjoy browsing through the book...good luck and good savings!

Kind Regards,
