13th February 2015

Dear Parents,

**Grade 3 – 6 College Swimming Carnival**

The Grade 3 – 6 school swimming carnival will be held on Tuesday 24th February at the Clarence YMCA Aquatic Centre. The carnival is designed to ensure all students are able to participate in a range of events at a distance that they are comfortable with. 25m events in all strokes are held across the pool at the shallow end while the 50m events in all strokes are held down the pool starting at the deep end.

Students in Grades 4, 5 and 6 will need to select if they are going to compete in either 25m events or 50m events. It is not possible to compete in both. Grade 3 students will participate in 25m events only. The school swimming team will be selected from the results of the 50m events with the exception of Grade 3.

Please discuss with your child the distance they feel comfortable with and fill in the form below. Please return this form to your class teacher by Friday 20th February.

More detailed information about the carnival will be given out closer to the carnival date.

Please do not hesitate to contact me if you have any questions.

Yours sincerely,

Mrs Nicole White
HPE Teacher

Mrs Elaine Doran
Principal
