

ST ALOYSIUS

CATHOLIC COLLEGE

10th May, 2017

Dear Families,

As you would know SchoolTV is an exciting and online resource designed to empower families with fact-based, sound information offering practical and ongoing support strategies. SchoolTV is a world first and each month it will address one of the many issues being faced by parents today.

Many families have accessed the information on the site and our feedback is overwhelmingly positive. Please take the time to look over the resource.

You will be:

- sent the link to each month's episode via SchoolStream, the Newsletter.
- able to go to "SchoolTV Archive" and Latest Edition by clicking on this link:

<http://staloyus.tas.schooltv.me/category-latest-newsletter>

You can watch it as a family together or separately in your own time. You may wish not to view the episodes at all or just a few. The whole opportunity is optional.

Yours sincerely,

Brendan Gill & Joe Sandric
Co Principals
