URGENT!

No P&F Committee in 2015?

Urgent P&F Meeting Tuesday 17th February 2015 – 7.00pm

To College Families,

The Parents and Friends Association (P&F) does not have a committee for 2015. The P&F has a long history of bringing the College community together with activities and raising funds which are used to fund items for classrooms and outdoor areas. Last year the P&F made a significant contribution towards the refurbishment of the netball/basketball courts at the Kingston Campus, which would not have been possible without the P&F funds. In addition, the P&F funded much needed white boards, Kindergarten equipment and a 3D printer for the Huntingfield Campus. The P&F urgently need parent involvement or the activities and funds raised will not continue in 2015. A P&F Meeting will be held next Tuesday 17th February 2015 in the Parish Meeting Room located under the Church at 7.00pm to either form a new P&F committee for 2015 or discuss the future of the P&F.

We need parent support now! If you want a P&F in 2015, it is important that you either contact Angela Cassidy atcassidy@bigpond.com, Debbie Wills Debbie.Wills@utas.edu.au, Mrs Doran, Mr Sandric or Mr Gill as soon as possible or attend the meeting.

The following positions are vacant:

In addition to the Executive Committee, the P&F needs event co-ordinators and helpers. The following proposed Event Coordinator Positions are vacant for 2015:
