Kingston Campus Capital Works
The big news of last week was the announcement that the redevelopment of the KC will commence in October. Information that was issued to all Kingston Campus parents on Friday regarding the big move. The Admin, offices, staffroom, Grades 3 & 4 will be moving out for the builders to start on Monday 27th October. Grade 4 will be relocating to the Grade 5/6 Learning Centre at the Huntingfield Campus; Grade 3 will be moving into the Grade 4 classrooms and the Library; the Library, admin, offices and staffroom will be moving into the Sisters of Charity Centre.
In the Christmas holidays, everyone except Grade 4 will move back into the newly renovated spaces and the Grade 1 & 2 classrooms will be redeveloped ready for the 2015 school year.
All of this is a massive undertaking and it is being made possible with the unbelievable cooperation and hard work being done by everyone at both campuses. While there will be some short-term pain, the long-term gain for the KC will be enormous.
Thank you one and all for your cooperation and collaboration in helping to make the big move as smooth as possible. I particularly want to thank the Grade 4 & 6 staff for their incredible support at this point and to express my appreciation for the manner in which the staff are putting the interests of the students first as we move and manage this amazing opportunity we have been given to redevelop the Kingston Campus. The information that was issued last week can be found on our website under the weekly notices section.

A PRAYER FOR GRANDPARENTS

Dear God,
Please bless our grandparents and special people.
Thank you for the life they gave our parents and for the life they give to us.
For the ways they help us and make us strong, we give thanks.
For the ways they love us no matter what, we rejoice.
For the ways they have paved the road that leads us here, we are grateful.
Let them grow in wisdom and joy in life. Let them find peace and rest from their work.
Let them be healed of every sickness and pain.
And let them see with their own eyes the glory of your Son, Jesus,
in the love of their children and grandchildren.
Bless them always until they come to rest in you.
We ask this through Christ our Lord. Amen.
Mrs Anne Blythe-Cooper will be on leave for the last two weeks of Term 3 starting 15th September. Mr Steve Barrenger will be teaching Mrs Blythe-Cooper’s classes during that time.

Dear friends of the College,

We’re so excited...
Can’t wait to welcome the Grade 4s to Huntingfield, even if it’s a bit earlier than they and their families expected. Stay tuned for details of the transition and how we can really live out the “One College…” mantra.

Sheen Machines
Last Thursday, I had the pleasure of going to the UTAS Fine Arts School to see the work that Grace MacDonald and Emma Donovan, two of our Grade 10s, had produced as part of “Sheen Machines”. “Sheen Machines” is an initiative of UTAS and the State Government (which they have now “axed” in the latest budget – but that’s another story!) that sees Grade 10 students from around the state come to the Fine Arts School for three days of intensive art workshops. To tell you more, I hand over to Grace…

On Tuesday, 2nd September, Emma and I travelled up to the UTAS Fine Arts School to participate in a three day Sheen Machines workshop. During these three days we learnt about surface/texturing, mark making and machines. We worked with other schools from all over Hobart, which gave us a great opportunity to make new friends whom we will see again in Grade 11. By the end of the 3 days we both made wall journals filled with our artworks and creations. All of the work we did will be displayed in the Tasmanian Museum and Art Gallery in November. I really enjoyed this experience and look forward to going to another workshop next year.
Grace MacDonald.

And we have lights!
Last Thursday we had a House Assembly, without the Grade 10s who were off on a whole day drama excursion, to unveil our new House Scoreboard. Thanks must go to Tom Cornish, our College Sports Leader, who has done most of the grunt work to get this scoreboard from the “great idea” to “realisation” stage – Top job, Tom! Dr. Trish Hindmarsh was at hand to “flick the switch” for the first time so that the points lit up. To tell you more, over to Tom…

The House System, and more particularly seeing positive feedback to students that goes towards House points, has been a big focus of the Student Leaders’ initiatives this year. You would probably know by reading the Newsletters this year that we have had many opportunities for students to get House Points beyond the regular sports carnivals. The Film Festival, Cartoon competition, House Lunchtime sport and even behaviour in class have led to students being able to accumulate points for each student’s House. Now we have the House Points Board that advertises these points. Here is your opportunity to assist us and advertise too. For $200, we will place a laminated A3 colour poster of your business under the House Points Board. Interested? Email Mr. Sandric ASAP to take up the offer. (joseph.sandric@catholic.tas.edu.au)

**Kingston Development Project**
Now we have our plans finalised, we are very busy getting ready for our building works. The Administration block and Library are packing up ready to move into the Sisters of Charity Centre for Term Four. Thank you to staff and parents for your energy, enthusiasm and flexibility. Our development is very exciting!

**Class Lists for 2015**
Yes, it seems a long way away, but 2015 is creeping up on us. A considerable amount of time goes into the construction of class lists. There are a myriad of factors that the school needs to take into account to create a successful class. Due to this fact, we ask that all requests be given to Mrs Doran in writing by the end of Term Three. While we cannot guarantee any class placements, all requests are given due consideration.

**Drum Lessons**
Students can now learn drums at the College. We have a very experienced and talented drummer, Mr Sean Brady, taking lessons. Please contact either the Campus office for more information.

**The BIG Dance Event**
A BIG thank you to staff, students and parents for your support of today’s wonderful Schools Dance Event. The students had a wonderful time and learnt so many valuable skills. Photos will be placed in next week’s newsletter.

**Grandparents Day and Special Persons Day**
This year, our Grandparents and Special Persons Day will be held on Friday 12th September from 9.15am – 10.30am in the classrooms. The Parents and Friends Association will supply tea coffee and our Huntingfield catering students will assist with refreshments. Please send some morning tea with your child/children to share in their classroom/s. We hope someone special from your family will be able to visit on Friday.

**Facebook**
Just a friendly reminder that if you take a photo at the College or at an assembly, please don’t the share images on social media. Privacy laws prevent sharing of photos without specific permission to do so.

Grade 7 to 10 Athletics
Thursday’s assembly also saw Mr James Hickey, our HPE Coordinator, announce the results of our Grade 7 to 10 Athletics Carnival. The whole day was a delight. Great participation, fun and joy was had by all, even the students won the Staff vs Students relay! Again, it’s a credit to our student body for the way they “get stuck into” such days. The staff do a great job too, I might add. And one staff member who did heaps was Mr. Hickey and please see his section in the newsletter for more information.

Crunchie crunch time, again!
Picture this! It’s 13min to the House Assembly on Thursday and the Faith and Mission Leaders are practising their prayer for the assembly. Just as they go through their parts, they realise one of their number is not here. Oh! What do they do? There’s a 9HPE class in the Gym playing dodge ball and they ask any of them if they can step in… Yes, it’s Crunchie crunch time, again! Congratulations to Hannah Irvine! She took the challenge, read and did great. Here she is receiving a Crunchie from one of last recipients, Bradee. Top job, I say!

Have a great week, Joe Sandric
Village Space Presentation
On Monday, our Grade 9 and 10 students were treated to a very special presentation by the actors from Catholic Mission’s Village Space. Called the Freedom Ride, this drama performance highlighted the historical events surrounding the student protests in the 1960s to end discrimination against Aboriginal people.

The actors were ably assisted by some of our students who volunteered to be a part of the performance. These students did a fantastic job, especially as they were only briefed 20 minutes prior to the performance on the roles they would play. Well done and thanks to: Kirra Lucas, Eliza Revell, Nathan Duggan, Daniel Prichard, Oliver Ditcham, Tessa Brinsmead, Maddie Howell, Shane Seaborne, Harry Cooper, Tom Loveluck, Olivia McShane and Izzy Scanlon.

Here are a few quotes from some students about the performance:
- “I liked learning about the story of Charlie Perkins.” Jacob Lister
- “It was insightful and really opened my eyes to our past.” Tahlia Westlake
- “It was excellent to work with some good theatre people and their message was great. It was really fun!” Maddie Howell
- “It was inspirational!” Holly Gregg
- “It was very intriguing.” Nathan Duggan
- “I learnt that I need to be grateful for what I’ve got.” Lachlan Clifford
- “It’s nice to know that we have moved on from these times and that students have the power to change situations.” Olivia McShane.

Daffodils for Sale
Some of our Vinnies students will be picking daffodils from Maryknoll tomorrow lunchtime so they will have daffodils for sale for $2 a bunch from the Huntingfield Office/Carpark on Thursday afternoon and Friday all day. All funds raised will go to Vinnies. Thanks for your support.

CSYMA News
Next week, Grade 9 students will have the opportunity to join a CSYMA class which will occur during their RE lesson each Monday morning for the rest of the year. These students will learn about the key elements of Youth Ministry and will prepare and present a session for Grade 3 students on the Sacrament of Reconciliation in Term Four. The other Grade Nine students will be taught an alternative RE program during this time.

I will be attending a National Staff CSYMA Conference in Canberra next week and look forward to sharing new ideas and resources with our new CSYMA students.

Huntingfield Masses
Father Chris returns from his leave tomorrow so our next Mass at Huntingfield will be the following Thursday 18th September at 10.20am in the Chapel. This Mass will be prepared by the students from 6DR and parents are most welcome to attend.

GRADE 7 – 10 ATHLETICS CARNIVAL REPORT

What a successful carnival! The sun was shining, participation was high and many records broken. It was great to see such enthusiasm from students. Many were dressed in house colours and we were impressed to see two bananas running in many races.

Of course a carnival cannot be successful without the help, support and assistance from the staff and parents of St Aloysius. We would really like to thank the following people: Mr Villanueva, Mr Grover and Mr Eade for helping set up and pack up. The wonderful parents: Laurence Paine, Linda Mathers and Stephen Dimsey who worked all day on events. To Simone Reynolds who printed to programs. Julie Fletcher and Mary Macrae who worked behind the scenes on the computer program. Mr Sandric who provided morning tea and coordinated the buses. A big thank you to St Aloysius staff who assisted and ran events. To Mrs White and the time keepers for keeping the finishing line in working order.

Congratulation to Charity House for winning the House shield for the third year running by just 10 points! Another very close carnival as you can see by the results:

Sofos Activity Day
On Monday September 1st St Aloysius was host to the second Sofos Activity Day for the year. The activity day provided students from southern Catholic schools the opportunity to get together to participate in challenging activities such as quizzes, iMovies and a Maths Relay. Darcy Willis, Charlie Westcott, Charlie Kingston and Kody Jankiewicz represented our school admirably.

During Book Week, 4M looked at the book *My Life as an Alphabet* by Barry Jonsberg.

Each student wrote their own alphabet book, and here is an example from Annabelle Penney.
Keeping kids safe in a cyber world

Social media sites have taken cyber bullying and harassment to a new level. Here’s how to keep your kids safe when online.

Cyber bullying is one of the biggest, safety issues facing young people today. Bullying and harassment online is now commonplace. For instance, over a third of teenage girls have been sexually harassed via the Internet.

The emergence of social media sites has seen cyber bullying go to a new level. Messages and images can now spread like wild fire reaching a huge potential audience in the time it takes to upload an image or shoot off a text message.

Once the family home offered young people an escape from schoolyard bullies. Now the cyber world is so invasive that their bedrooms offer no guarantees of safety any more.

The cyber world is enticing. Young people have always wanted to escape from their parents’ world. In the past they hung out in shopping centres and pool halls. Parents tried their best to keep an eye on where their children were and what they were doing.

The online world is now the shopping mall of the 21st Century. Parents have the same responsibility to help kids stay safe in the online world as they do in the real world. ‘Stranger danger’ and accompanying safe behaviours are just as relevant in the online world as they are in the real world.

Parents should use the same offline preventative strategies to maximise their children’s online safety as they’ve always used. These strategies include: teaching children about the right way to behave online; don’t let them spend all night in the cyber world; and ask questions about what they are doing and where they go when they’re online.

Parents need to remind kids that things in the online world can spin out of control very quickly. A written message or an image can be circulated electronically so rapidly that the scope and scale of cyber bullying can be greater than any other form of bullying.

The following seven key messages form the basis of an online safety strategy for kids. They should be taught to kids so they become second nature, just as the messages about stranger danger were absorbed by an earlier generation.

1. Respect others. Make kids aware that what they send can offend. Discuss with kids the types of messages and images that can cause harm to others when sent. Teenagers often walk a fine line with what they do and say to other offline, yet it’s relatively harmless. The same type of behaviour online however can be a different story.

2. Think before you send. Remind kids cyberspace is a very public and permanent forum. A text message or image sent to just one person can be passed to a potentially unlimited number. Once they are sent they’re almost impossible to erase and take back.

3. Treat online passwords like your house key. Teach kids to keep passwords guarded at all times. Young people can be incredibly trusting of each other, which is to be encouraged. However there are some things, such as online passwords that they don’t share, not even with their best friend.

4. Block bullies. Teach kids to block bullying messages. They can filter out messages and addresses online. Similarly, they can block text messages from bullies as well.

5. Don’t reply to harassment. Bullies can retort proof of your response, which can further be spread around. Besides responding to bullying behaviour often simply encourages the bully to continue.

6. Save the evidence. If kids are bullied they should keep the pictures and offending messages. These can be used as proof if the bullies are brought to justice.

7. Tell someone. The insidious part of bullying is that kids on the receiving end often don’t seek help, as they think there’s something wrong with them. Talk with kids about going to a trusted adult, when they feel their rights or safety have been violated. They should with your help report online bullying to the appropriate service provider.

Sticking the proverbial head in the sand regarding kids’ use of communications technology is no longer an option for parents. Savvy parents need to learn as much as they can about children and young people’s online lives so they can respond to situations appropriately.
