

ST ALOYSIUS

CATHOLIC COLLEGE

10/02/17

Dear Parents/Guardians

This year the Kingston Campus canteen will be outsourced to an external operator. Following due process, Promotional Recreations, current operators of the Huntingfield Café, were selected to provide canteen provisions at the Kingston Campus.

In making this change it is important that we acknowledge the valuable work performed by Veronica Palmer during her tenure as Manageress and stress that the decision is on a whole commercially driven and not a reflection on past management. It will be a condition of operation for our new operators to maintain our current Canteen Star accreditation and work within our *Move Well, Eat Well* program at the Kingston Campus.

In conjunction with this change the College will still continue to offer the opportunity for active involvement from our families. To maintain and enhance this connection we would like to invite College community input with the establishment of a Canteen representative committee of families and staff. This committee would focus on promoting healthy eating choices with our students and our families in general. If you would like to be a part of this, please email the College Business Manager, Mr Les Gardner at les.gardner@catholic.tas.edu.au

The days of operation will be:

Kingston Canteen

Opening Day: 22/02/17

Operating Days : Wednesday and Friday

Kind regards
