

LAUNCH DATE:  
FRIDAY, 3RD MARCH

St Aloysius Catholic College warmly invites families from the local community to join us at our dedicated Early Years Learning Program for children from Birth to Kinder age.

Our Explorers program is facilitated by two Early Years educators Kinder Teacher (Mrs) Andrea Reece, and Teacher Assistant (Mrs) Amanda Boon.

**Aim** Explorers aims to provide inviting and engaging play-based learning experiences, and a place for families to connect with other families from our local community.

Children under full-time school age, with their Parents, Grandparents, carers, or other adult family members from the school and wider community, are very welcome to join us at Explorers regularly, or when they are available. We do encourage regular attendance for families to get the best benefit from the program.

**Time?** 9am - 11am (*Note: may be adjusted dependant on group size*)
