

ST ALOYSIUS

CATHOLIC COLLEGE

12th November 2018

Dear Parents/Guardians

Re: Antarctica Live Excursion

Your child has been invited to be part of a group of students from St Aloysius who will travel to the Australian Antarctic Division Headquarters. During this visit students will have the opportunity to talk with researchers, see what research the AAD does and take part in a live feed to Davis Station. In the afternoon session students will have the opportunity to participate in hands on research and a tour of the facilities.

The excursion will take place on **Friday 23rd November 2018** at the Australian Antarctic Division Headquarters in Kingston. We will leave school at 9:30am and return by 3:00pm. Students will be required to wear full formal uniform.

If you have any questions, please contact myself via Lillian.Hyatt@catholic.tas.edu.au or via phone at the college.

Date: Friday, 23rd November 2018

Time: 9:30am-3:00pm

Location: Australian Antarctic Division Headquarters

What students need to bring: Long pants, morning tea, lunch & drink bottle

Staff contact: Lilli Hyatt

Yours sincerely

Lilli Hyatt
