

WHAT'S THE STORY ?

Alpha started over thirty years ago
at Holy Trinity Brompton (HTB),
an Anglican church in Central London, UK.

It was originally developed as a short course
for people in the church.

In 1990, Nicky Gumbel took over running
Alpha and found that many people
outside of the church were coming along.

Today, more than 27 million people have
attended Alpha in more than 169 countries,
and it has been translated into 112 different
languages.

It runs in every part of the worldwide church—
the Catholic Church,
the Orthodox Church,
the Pentecostal Church
and all the main line
Protestant denominations..

Alpha

ALPHA

is based on a pattern you find in the New Testament of people bringing their friends, family and work colleagues to meet Jesus.

On Alpha we try to be :

ALPHA

REAL— Alpha presents the reality of who Jesus is.

Those that run Alpha are real and authentic and this allows the guests to be real themselves.

People are welcome to ask questions and look for answers, with no pressure to contribute and no follow up if they don't come back.

RELATIONAL—Alpha is based on genuine friendships that are built up over a few weeks and often last for years afterwards.

RELIANT—On Alpha we are reliant on the Holy Spirit because we realise that it is only God who changes people's lives; we just introduce Him.

ALPHA

is a series of fifteen interactive sessions, typically run over 10—12 weeks, including a Saturday away,

It's where anyone can explore life and the Christian faith in a friendly, open and informal environment.

HOW DOES ALPHA WORK ?

Every Alpha session has three key elements:

a sharing of food,
a video presentation,
and a discussion.

Everyone is welcomed
