## CATHOLIC COLLEGE

1<sup>st</sup> March 2019

Dear Parents/Guardians

As part of the College's Outreach Program, the Kingston Campus is once again involved in the Biscuit Drive. This program helps our local community through the not for profit organisation, Kingborough Helping Hands.

Classes are rostered to bring a disposable container of homemade biscuits or slice to school each **Thursday**. The biscuits are then collected from the classroom and distributed to Kingborough Helping Hands. It is strongly recommended that no nuts are used in the cooking of the biscuits or slices.

We have been running this Outreach Program for the past few years and Kingborough Helping Hands have been overwhelmed with the generosity and thoughtfulness of our College community in reaching out to help others who are in need.

The roster is listed below and a reminder will be pushed out via School Stream, the week of your child's class involvement in the program.

Date	Class	Date	Class	Date	Class
