

ST ALOYSIUS

CATHOLIC COLLEGE

20th June 2018

TO: Grade 1 Parents/Guardians

Dear Parents/Guardians

Grade 1 Science Excursion to Bonorong Animal Sanctuary

To culminate our Science topic on Animal Habitats we have an excursion to Bonorong planned for the last Monday of term. We will have a guided tour of the Wombats, Tasmanian Devils and Koalas, then lunch and a chance to wander around the free-range Kangaroos and other enclosures.

Date: Monday, 2nd July 2018

Time: Leaving at 9.00am to return to school at 2:30pm

Location: Bonorong Animal Sanctuary

What students need to bring: Please wear sports uniform, suitable outdoor footwear and warm outer clothing. We will be taking our school bags so students will require fruit, recess, a packed lunch and a water bottle as usual.
