Dear Parents/Guardians

RE: College and Parish Fair Dunking Machine

Your child has an opportunity to participate at our College and Parish Fair on the Dunking Machine, as a 'person to be dunked into the water' on Sunday 12th November 2017.

Any approved student participating will need to wear appropriate clothing and bring a change of dry clothes and towel. Wetsuits are permitted.

In order for your child to participate, the permission section of this letter must be returned to myself prior to Sunday, 12th December 2017.

On the day of the Fair, students will be instructed on activity expectations by the supervisor. It is preferable that a parent/guardian is also there to supervise. A copy of the schedule is attached.

For any queries, please contact Joe Sandric on 6229 0100.

Yours sincerely

(Mr) Joe Sandric
Co Principal
