CATHOLIC COLLEGE

14 March 2019

Dear Parents/Guardians

Re: Bonorong Wildlife Sanctuary Excursion

As part of our Science unit on genetics and evolution, the Grade 10 classes will be visiting Bonorong Wildlife Sanctuary to learn more about the relationship between genetics and environment in the Devil Facial Tumour disease, and to explore adaptations in Tasmanian native animals. The excursion will take place on Friday, 5th April. We will travel by bus to the venue, leaving at 8:30am and returning by 3:00pm. Students will need to wear their formal uniform and bring a packed lunch, sunscreen and hats.

If you have any questions, please contact myself via anne.boyle@catholic.tas.edu.au or via phone at the college.

Date: Friday, 5th April 2019

Time: 9:00am-1:15pm

Location: Bonorong Wildlife Sanctuary, Briggs Rd, Brighton

What students need to bring: Packed lunch, sunscreen and hats.

Staff contact: Anne Boyle

Yours sincerely

Anne Boyle, Peter Dodd and Benjamin Hibbert
