

ST ALOYSIUS

CATHOLIC COLLEGE

11 May 2018

Dear parents & guardians

Reflection Day – Grade 8

The Grade 8 students will be participating in a reflection day on the following days. These sessions will be held at the Kingston Campus.

- 14 May - Gr 8 White
- 18 May - Gr 8 Green
- 25 May - Gr 8 Blue

We would ask **students** to **make their way to and from the Kingston Campus** for a **normal school day** and **bring a cut lunch**.

The focus on reflection day is spiritual in nature. Our overall theme is to reflect on the words of Mary Aitkenhead, “Impelled by the love of Christ.”

We commence the day with a class prayer, followed by a tour of various sites around Hobart. These sites hold great significance to the founders of our College, the Sisters of Charity. There will be an opportunity to share lunchtime with students from the Kingston Campus. The day will finish with a session on the charism of the Sisters of Charity, delivered by Mr Sandric.

Yours sincerely
