Dear Parents/Guardians,

### **Re: Literacy Testing**

This year in Grade 7 English, we are implementing targeted literacy sessions aimed at improving students' skills in English literacy. These sessions will be delivered once a week and will include a skills focus of reading comprehension, spelling, grammar and punctuation.

In order to ensure we are targeting our programs correctly, we will be undertaking a screening process for each Grade 7 student. These screeners will begin in Week 3. Each student will sit a short test on reading comprehension, spelling and language conventions. Once the data is collected, we will allocate groupings for students. These sessions compliment our Grade 7 English units and assist students in developing and improving their literacy skills.

Should you have any questions or concerns, please do not hesitate to contact me at the College.

Yours sincerely
