

30 November 2017

Joseph Sandric & Brendan Gill  
St Aloysius Catholic College  
PO Box 353  
KINGSTON 7051

Dear Mr Sandric and Mr Gill,

**Re: Alterations to Metro Tasmania services effective Term 1 2018**

Following the review of existing school bus services which Metro Tasmania advised in September, it has been determined that patronage on school bus Routes 205AM and 240PM is not sufficient for these services to continue for the 2018 school year. Alternative general access services have been identified which have sufficient capacity to cater for existing and future demand.

Following the feedback provided by St Aloysius as part of the consultation process, we are pleased to advise that from the start of services on 7 February 2018, **Metro buses will instead arrive and depart from St Aloysius Catholic College**, instead of Tarremah Steiner School. In addition, following the College's request regarding accessibility for students with limited mobility, we can also advise that both the morning and afternoon services are scheduled to be operated by low-floor, wheelchair-accessible vehicles.

Details of the changes are as follows:

**Route 205AM: Hobart City to Tarremah Huntingfield via Calvin Christian School & Tarroona**

This service will be withdrawn effective from the end of Term Four, Thursday 21 December 2017.

From the start of Term One in 2018, students who currently use Route 205AM to travel to St Aloysius Huntingfield Campus should instead catch the **Route 429** bus from Hobart City to Summerleas via Tarroona and Sandy Bay Road. This service will depart Franklin Square Stop P at 7.47am and arrives at Whitewater Crescent Summerleas at 8.30am. From Whitewater Crescent, the bus will travel express via the Kingston Bypass to St Aloysius Catholic College, arriving at 8.35am.

**Route 240PM: Tarremah Huntingfield to Hobart City via Calvin Christian School & Tarroona**

This service will be withdrawn effective from the end of Term Four, Thursday 21 December 2017.

From the start of Term One in 2018, the **Route 429** bus from Huntingfield to Hobart City via Tarroona and Sandy Bay Road which currently departs Huntingfield Terminus at 3.35pm will be extended to commence from St Aloysius Catholic College, departing at 3.33pm then

travelling via Summerleas, Kingston Central, Tarooma and Sandy Bay Road to arrive in Hobart City at 4.20pm.

A copy of the timetable for the applicable Route 429 services is attached, along with a route map illustrating the morning and afternoon services.

Should you have any questions, please contact Metro's Stakeholder Engagement Manager Gregg Lennox on 6233 4215, mobile 0407 365 073 or email [Gregg.Lennox@metrotas.com.au](mailto:Gregg.Lennox@metrotas.com.au). Parents and carers who would like further information on the new arrangements for 2018 should contact the Metro Hotline on 13 22 01 or via email to [correspondence@metrotas.com.au](mailto:correspondence@metrotas.com.au).

This information will be made available on the Metro Tasmania website and via our social media channels shortly. We would appreciate it being shared with the St Aloysius Catholic College community prior to the end of the 2017 school year.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "M Morse".

Megan Morse  
Chief Executive Officer
