

ST ALOYSIUS
CATHOLIC COLLEGE

23 August 2018

Dear Parents & Guardians

Grade 3/4 Netball teams

Thank you for giving permission for your child to represent the College in the Grade 3/4 Netball roster at Kingborough Netball Association.

We have twelve very excited young netball enthusiasts, ready to represent the College. This number is too many for one team. Students would receive insufficient court time and not be able to learn and enjoy the game as much as they should, during the roster.

We have been fortunate to have students from Margate Primary join us. This has allowed us to create a second team, enabling everyone to participate, maximising the experience.
