Dear Kindergarten Parents/Guardians

The report requirements for the *Early Years Framework* necessitates that the structure for mid-year parent/teacher consultations are slightly different for Kindergarten than the rest of the College. The consultations are compulsory for Kindergarten parents and the discussions will occur in the Kindergarten classrooms, at the **Kingston Campus**.

The consultations will focus on student portfolios, thinking books and Seesaw online learning journals. Portfolios and thinking books will be sent home at the end of week three of Term Three, and are to be returned at your parent/teacher consultation.

These consultations provide an excellent opportunity for parents/guardians to discuss the development of their children, in preparation for full-time schooling in Prep, 2019.

**Kindergarten consultations will occur in Week Four of Term Three on:**

Monday 13/8 – Kinder Blue

Tuesday 14/8 - Kinder White and Green

Wednesday 15/8 – Kinder Green

Thursday 16/8 - Kinder White and Kinder Blue

More information, including the exact times slot for each session, will be communicated by individual Kindergarten teachers during the coming week.

Kind regards
