CATHOLIC COLLEGE

2<sup>nd</sup> May 2019

Dear Parents/Guardians,

In Prep this year we would like to maximise the opportunities the students have to read one to one, to an adult.

We are hoping to establish a parent reading program that will start in Term 2 and run until December. We would need a regular weekly or fortnightly commitment to come in on a set day to listen to students read from 9.40am-10.40am, Monday to Thursday. Volunteers would need to provide the office with a current Working with Vulnerable People Registration Card. Please note that you do not need to have a child in Prep this year to volunteer.

If you are interested could you please email [gabrielle.fisher@catholic.tas.edu.au](mailto:gabrielle.fisher@catholic.tas.edu.au) and indicate which day you would be available to help.

Kind regards,

Emmalise Kelly
