

ST ALOYSIUS

CATHOLIC COLLEGE

11th February 2019

Dear Prep Parents & Guardians

As you are aware, building works have been occurring over the summer break in our Prep classrooms. Long term, these new facilities will provide a wonderful contemporary space for our early childhood students to learn and thrive.

Fortunately, we have now been issued an *occupancy certificate*, meaning the spaces are both safe and ready for students and staff to occupy. Unfortunately, not all areas of the build have been finalised for the start of the school year. In particular, two classrooms, Prep White and Prep Blue are yet to have carpet laid. Temporary flooring has been laid in these classrooms until the carpet can be laid, one night this week. During the course of the next week, blinds, televisions, pin boards and whiteboards will also be installed in these classrooms.

The new spaces are wonderful and will provide so many long term benefits to the school community. We thank parents for their understanding whilst these spaces are finalised. We would also like to thank our hardworking prep staff, whom have only gained access to their classrooms this long weekend.

We look forward to welcoming students back to school tomorrow morning.

Kind regards

(Mr) Brendan Gill and (Mr) Joseph Sandric
Co-Principals
