Dear Parents/Guardians,

We look forward to working with you and your child in 2019.

Please take note of the following information regarding your child's Prep booklist:

- It is important your child has ALL items on the booklist to ensure they do not miss out on activities throughout the year. Children can become upset if they do not have the same resources as their classmates.
- Please name all items except for pencils, crayons, textas, scissors and glue sticks.
- Your child needs a St Aloysius Homework bag, which will be used for home reading. They need a separate bag for Library, which may be retained from Kinder and does not need to be the St Aloysius Homework bag.
- Your child is welcome to use their smock from Kinder. However please ensure it still fits appropriately and is not too short, to ensure it protects their uniform. Please ensure your child's smock is clearly named. As most children have the same navy smock it can be very difficult for your child to find their own smock.
- All exercise books need to be named in the top right hand corner.
- Please use transparent covering on textbooks so the cover is visible.
- Please cover all books to ensure they last throughout your child's year in Prep.
- 

**Please ensure your child brings all booklist items to school on the first day.**

Thank you for your assistance in helping your child makes a smooth transition into Prep. We hope you have a safe and enjoyable holiday.

Thank you,

Emmalise Kelly
