### STATE SATIS ATHLETIC TEAM, 2018

Dear Students,

Congratulations on being picked for the State SATIS Athletic trip to Launceston on Friday, 21<sup>st</sup> and Saturday, 22<sup>nd</sup> September. We exceeded our expectations at the Southern carnival; let's hope to do the same this weekend!

Our GOALS are:

- **Every race filled with an athlete**
- Junior Co-ed Shield 767 points
- Boys Shield 384 points
- Girls Shield 486 points

Please find below information about the overnight camp, which should help you be prepared for departure after recess on Friday:

1. We will be leaving after recess on Friday (so normal classes period 1 & 2)
2. We will head straight to the Launceston Gorge where you will be completing a number of team challenges
3. After dropping off your bags to the Legana Caravan Park, we will be going to the movies and having a BBQ dinner at the accommodation.
4. **You do need a sleeping bag**, however pillows, sheets and towels are provided. Please note that the larger team this year has caused many headaches on how to sleep you all. Some students will be required to share a queen size bed (thus the sleeping bags). After breakfast and packing up we are heading straight to the St Leonard's Athletic Track, where the first race is at 9.00am
5. It is important to remember the focus is on best athletic performance, so you must be disciplined with getting an early night sleep.
6. We will be packing up as soon as the last event is finished (approx. 4.30pm) and we hope to be dropping off students at school at 7.30pm. We will get student to text parents when we are heading into Hobart, so we have parents waiting for collection.

Students are required to bring lunch on the Friday and money for Saturday lunch/ Saturday dinner. The school will be paying for transport, accommodation, Friday BBQ dinner and Saturday breakfast.

**Students are required to pay for their own movie ticket to *Johnny English Strikes Again (PG)*. Please bring in \$13 to the office and have your name ticked off.**

Please pack PJ's, toiletries, athletic gear, warm clothes and sun protection. Students will have access to lots of drinking water and fruit throughout the two days.

If your child has any health issues/injuries or food allergies that we should be aware of, please email Mrs Ottaway ([marcelle.ottaway@catholic.tas.edu.au](mailto:marcelle.ottaway@catholic.tas.edu.au)), so we can manage accordingly.

Any queries please direct to Marcelle.

Your Sincerely,

**Mrs Marcelle Ottaway**
