

St Aloysius Catholic College Soccer Club

Our soccer club provides training and games for Under 6 to Under 12 students for both boys and girls. Our club has a proud history of offering our young players a fun and fair opportunity to play soccer during the winter soccer season. Our club plays as part of Central Region Junior Football Association (CRJFA). The CRJFA comes under the umbrella of Football Federation Tasmania (FFT). The St Aloysius Catholic College Soccer Club is run by a volunteer committee of dedicated parents. Without these Volunteers we wouldn't have a club, and volunteers for the Committee are always needed.

Trainings are usually after school and games are Saturday morning. Training days are not set until teams and coaches are organised and will be dependent on the availability of the coach. The 2018 soccer season is due to commence on Saturday 5th May with the final round played on Saturday 8th September.

Games are not usually scheduled during the holidays or long weekends, and fixtures are available during the season via the www.crjfa.com.au website.

Registrations open Tuesday 13th March from 5.00pm & close Friday 26th March 5.00pm.

Fees

1 st child in family	\$105
2 nd child in family	\$95
3 rd and subsequent child/children.	\$85

We have once again been able to keep our fees the same as last years.

Registration is relatively easy through the MyFootballClub website, <http://www.myfootballclub.com.au> you simply fill in the required fields, and it will ask for a payment. ***You must pay online at the time of registration.*** We ask that you register and pay online as soon as possible after registrations open.

Please note that after your payment has been finalised you will need to continue past this confirmation page to answer questions which will assist us with team allocations/preferences and top sizes.

If your child has previously played for St. Aloysius, you will already have an "FFA number" for them. It can be located on previous emails sent to you regarding your child from FFA, or there is a process on the website through which you can retrieve it if required.

If you have difficulty in paying soccer registration, please contact the College or Philippa Morgan to make alternative arrangements. If you are having difficulty with the actual registration and payment process please contact Sarah King (sargriggs@hotmail.com).

Coaches – Volunteers needed!

Coaching experience is not essential, with training and support are available for new coaches. There are new coaches required for most age groups.

Every team must have a coach! Any parent wishing to volunteer can contact Philippa Morgan on 0408 212 092 or philippa.morgan@liverpoolchambers.com.au. A working with vulnerable people (WWVP) accreditation is essential, and a card number must be supplied.

Late Registrations -

Due to team number restrictions enforced by Central Region Junior Football Association the committee reserves the right to reject late registrations. ***Late registrations will only be considered if there is relevant team placement availability.***

Team Allocations

Once registrations close the committee will assemble teams. We will do our best to make sure that we accommodate requests made for players to be on certain teams or play with their friends, if we are able to do so. The allocation of players to team groups is a difficult and time consuming task, it involves balancing coach availability, previous team make ups and other considerations. Once team groups are allocated, we ask that you do not approach the committee with requests to change team makeups etc.

Please join our Facebook page “St Aloysius Soccer Club”, it’s a great way to keep up to date and communicate with our Committee members.
