

ST ALOYSIUS

CATHOLIC COLLEGE

13th April 2017

Dear Parents/Guardians

We are writing to inform you that Miss Alison Young, upon medical advice, has resigned from her position as Maths/Science Teacher, effective immediately. We have enjoyed having Alison on staff and a number of students have spoken about the positive impact she has had on them across the term.

We have appointed Ms Victoria Maxwell to teach Science from the beginning of term two. Ms Maxwell is an experienced Science teacher and we look forward to her contribution to the College.

We have made some slight adjustments to the timetable and Mr McManus will be taking the Maths component of Alison's teaching load.

We appreciate your support in this matter and we know you will welcome Ms Maxwell to the College from term two.

Yours sincerely
