## CATHOLIC COLLEGE

6<sup>th</sup> September 2018

Dear Parents and Guardians

Please find enclosed:

Over the last eighteen months, St Aloysius Catholic College underwent a Strategic Planning process. As part of our Strategic Plan launch, we have constructed a special newsletter that can be accessed at <https://sacckingston.schoolzineplus.com/newsletter/48070>. This can also be accessed through our College Website. The newsletter goes into detail about much of the progress already undertaken in our Strategic Plan. It includes significant building and curriculum initiatives for 2019 and beyond.

At the heart of our Strategic Plan is the mission to provide a quality, balanced education to all students that attend St Aloysius Catholic College. We aim to provide a broad education focusing on academic, spiritual, emotional and physical growth. Contemporary discourse often talks about education as though its only purpose is producing economic soldiers, independent of what it is to be fully human. When Jesus exclaimed 'I have come so that you may have life and have it in abundance' (John 10:10), he was speaking to the very heart of education. It is the weaving of academic, spiritual, emotional and physical experiences that creates the rich tapestry of a strong, balanced education.

We would like to thank all members of the College community who contributed to our Strategic Plan. We received input from parishioners, parents, board members, and of course, students. This is now a document which can unite us moving forward.

This is truly an exciting time to be a part of the St Aloysius Catholic College community and we look forward to bringing this plan to life.

Kind regards

(Mr) Brendan Gill and (Mr) Joseph Sandric
