T20 Blast Game Format:

- Each game is played between two teams of **8 players**.
- Innings length is **8 overs per team**, 16 overs for the whole game.
- All equipment (bats, stumps, ball & boundary markers) supplied by Cricket Tasmania.

Batting:

- Players bat in pairs for a total of 2 overs (12 deliveries).
- **Batters swap ends when a wicket has fallen** and after **each over is bowled**.
- A batter may be dismissed – run out, bowled, caught, stumped and hit wicket.

Bowling & Fielding:

- All bowling is from a single end.
- A rotation system of fielders is recommended to allow every player the chance to bowl and wicket keep.
- Each bowler will bowl 2 x **six ball overs**. Over arm bowling is encouraged. **Wides and no balls will not be rebowled**.

Bonus Zones and Additional Runs:

- All runs scored in the **Bonus Zone** will be doubled i.e. a 4 = 8, 6 = 12 or 2 = 4.
- The Fielding team will receive 5 runs added to their score for every wicket they take so the more wickets a team takes, the better!
- When a wide or no ball is bowled, the batting team receives 2 runs + whatever they score off a free hit.
