Dear Parents/Guardians

Trash – Grade 7 film

For our Term One study for Grade 7 English, we have been reading the novel *Trash*. In this unit, we have been examining the various themes of poverty and privilege in the world and the differences between them. We have also been examining the development of tension and the creation of characters.

To consolidate the students' knowledge of the themes, characters and plotline, we would like to show the film adaptation of the novel. This film is rated M, as there are some profanities and some moderate instances of violence.

If you would prefer your child not to view this film, please contact their class teacher either by email or telephone. We will arrange an alternative film based around similar themes.

Yours sincerely
