Dear Parents/Guardians,

Re: UTAS Science and Engineering Challenge

Dear Parents/Guardians,

Your child has been invited to be part of the St Aloysius team participating in this year's University of Tasmania Science and Engineering Challenge. St Aloysius will compete against other Hobart schools through a set of fun, hands-on activities involving principles of science, engineering and technology.

The challenge takes place on Wednesday 23rd May 2018 at the University of Tasmania's Sandy Bay Campus. We will travel by bus to the venue, leaving at 8:40am and returning before the end of the school day. Students will need to bring a packed lunch and wear their normal school uniform.

If you are happy for your child to be photographed by the media, please complete the attached Media Consent Form.

If you have any questions, please contact myself via anne.boyle@catholic.tas.edu.au or via phone at the college.

Date: Wednesday 23rd May 2018

Time: 8:40am-3:00pm

Location: University of Tasmania

What students need to bring: Packed Lunch
