

ST ALOYSIUS

CATHOLIC COLLEGE

9th June 2017

Dear Parents & Guardians,

Bunnings Excursion

In Science this term prep students will be learning about what things are made of and how things move. To help us explore materials all Prep classes will be going to Bunnings (Kingston) on June 15th. We will be having a tour of the shop and building an item with wood. Prep N will be at Bunnings at 10:00am, Prep GF at 11:30am and Prep W at 1:15pm.

If you are interested in joining us please see your child's class teacher regarding details for parent help. All parent help will need a current WWVP.

Thank you,
