

ST ALOYSIUS
CATHOLIC COLLEGE

July 24th 2017

Dear Kinder Parents/Guardians

The report requirements for the *Early Years Framework* necessitates that the structure for mid-year parent/teacher consultations are slightly different for Kinder than the rest of the College. The consultations are compulsory for Kinder parents and the discussions will occur in the Kinder classrooms, at the **Kingston Campus**.

The consultations will focus on student portfolios, thinking books and Seesaw online learning journals. Portfolios and thinking books will be available to view in week two of Term Three.

These consultations provide an excellent opportunity for parents/guardians to discuss the development of their children, in preparation for full-time schooling in Preparatory, 2018.

Kinder consultations will occur in Week Four and Five, of Term Three on:

- Monday, 14th August – Kinder J
- Wednesday, 16th August - Kinder R
- Friday, 18th August - Kinder H
- Monday, 21st August - Kinder R and Kinder J
- Thursday, 24th August – Kinder H

More information including the exact timings of these sessions, will be communicated by individual Kinder teachers during the first week back of Term Three.

Kind regards
