

ST ALOYSIUS
CATHOLIC COLLEGE

Tasmania
Fire Service

4th August 2017

Fireman Barry from the Tasmania Fire Service (TFS) will be visiting St Aloysius Catholic College to present a Home Fire Safety Program to our Grade 5 and Grade 6 students on Tuesday 15th-Thursday 17th August.

The age appropriate program is designed to raise fire awareness in children and includes fun in class activities, videos, activity books, website www.tfseducation.com.au and giveaways.

Parents and other family members are also encouraged to participate by reading the information and assisting your child with the after school activities.

The TFS aims to deliver appropriate fire safety education to every primary school child in Tasmania and is part of the TFS's ongoing commitment to create a fire safe Tasmania.

Key Fire Safety Messages include,

[Wake up - Install a smoke alarm in every bedroom](#)

[Plan and practice a home fire escape plan with the whole family](#)

[In a fire crawl low and go, go, go to the nearest exit](#)

[In an emergency call triple zero](#)

[Keep flammable material at least two metres from the heater](#)

[If your clothes catch fire, stop, drop, rock and roll](#)

[Keep matches and lighters away from children](#)

[Cooking - Turn it off before you turn away](#)

[Cool a burn under cold water for at least 20 minutes](#)

[Most house fires can be avoided. Make your home fire safe](#)

More information is available at www.tfseducation.com.au

Kind regards

Barry Blackwell
