## Prep W and N Excursion

29<sup>th</sup> August 2017

Dear Parents/Guardians,

This term in Science all three Prep classes are focusing on Biological Sciences by learning about living things. We have particularly been learning about life in Antarctica. Prep W and Prep N will be going on an excursion to help us with our learning.

Venue: Tasmanian Museum and Art Gallery

Date: Tuesday the 5<sup>th</sup> September

Time: Depart school at 9:20am.  
Return to school at 2:20pm.

What to Bring: Packed morning tea and lunch with full drink bottle.

Parent Help: Numbers are limited so please see your child's class teacher if you are able to help.

Thank you,
