

ST ALOYSIUS

CATHOLIC COLLEGE

27th September 2017

Dear Grade Four Parents/Guardians

Next year our current Grade Four students will attend Grade Five at our Huntingfield Campus. Huntingfield is a *Bring Your Own Laptop* (BYOL) Campus. This means that every student from Grade Five requires their own laptop.

Please find attached a detailed breakdown of 2018 BYOL specifications. We hope it provides all of the information required for your family to purchase a suitable device. Please contact sacc.ictadmin@catholic.tas.edu.au for more information.

Information about Grade Four transition will be provided early next term. 2018 BYOL information is being provided now as many parents incorporate the device into birthday or Christmas presents in the lead up to Huntingfield.

(Mr) Brendan Gill & (Mr) Joseph Sandric
