Dear Parents/Guardians

In November, students at the Kingston Campus will be participating in 'Circle of Life' Education. The aims of the program are:

- To encourage the development of positive attitudes towards growth and development of sexuality in children, adolescents and young adults.
- To facilitate communication within families
- To provide accurate and up to date information in a sensitive way and within a family context
- To provide teachers and parents with support in the area of sex education
- To impart positive information on the growth and development of the individual and the responsibilities inherent in relationships.

The educator who will be facilitating the program is Monique Hall, a trained teacher and member of the parish. **On Tuesday 7th November 6.30pm at the Sisters of Charity Centre there will be an information session for parents.** Student sessions will take place from the 8th-10th November.

Please don't hesitate to contact us if you have any queries or concerns.

Kind regards
