

ST. ALOYSIUS
CATHOLIC COLLEGE

Monday 16th October 2017

Dear Parents/Guardians,

On Wednesday 18th October, all three Grade 1 classes will be visiting the Mt. Pleasant Radio Astronomy Observatory & Grote Reber Museum in Cambridge. This is the culmination of our Term 3 Science and HaSS units on 'Features of Places' and 'Changes all Around Us'.

We will be leaving school at 9.00am and returning by 2:30pm. The day will include a stop for lunch and a play at a park.

Please ensure students are wearing their sports uniform, sun hat and have a packed lunch and full water bottle. Please apply sunscreen to your child before coming to school. If you wish your child to reapply sunscreen throughout the day, please supply them with their own cream that they will need to apply themselves.

Students will not need to bring any money for this excursion.

Kind regards,

Julia Wilson, Anna Hanslow, Carmel Sill,
Stevee Savill and Polly Marriott

Mr Brendan Gill and Mr Joe Sandric
